

Exhibit	<u>C</u>
Port Commission	<u>Regular</u>
Meeting of	<u>June 5, 2012</u>

Date: June 2, 2012

To: Port of Seattle Commission

From: David Harsila, FTAC Chairman
(206) 546-8350

Re: FT Net Lockers: Please enter into the record

The Fishermen's Terminal Advisory Committee (FTAC) has reviewed the four options for net-locker fire-code compliance.

FTAC have passed a motion endorsing Option #3.

We also comment that Options 1, 2 and 4 will not meet the needs of the tenants at Fishermen's Terminal in Seattle.

Thank you for your consideration.
