Subject: Notice of Funding Award

Dear Ms. Styrk:

I am pleased to notify you that your application for funding assistance for the Port of Seattle Clean Truck Program has been approved and selected for award. Ecology will be awarding the Port of Seattle \$500,000 to scrap and replace 20 heavy duty diesel drayage trucks serving the Port of Seattle. The source of the funds is Ecology's Clean Diesel Grant program, authorized under the Model Toxics Control Act.

The next step is to develop a grant agreement. I will be developing a draft for your staff's review over the next couple of weeks.

If you have any questions, please do not hesitate to contact me.

Congratulations and thanks for working with us to clean up the air!

Sincerely yours,

Frank Van Haren
