Context:

Current Situation –
Growth Projections

Context:

Short-Term Actions

Roundtable Discussion Focus:

Long-Term Options under Federal
Law: Privatization Considerations

Discussion Questions:

- Staffing
 - What companies are eligible to perform this work?
 - Does privatization have the same training requirements?

Discussion Questions:

- Airport Management
 - What controls does the airport gain with privatization?
 - Who has the contract with the third-party provider – TSA or the airport?
 - Does the airport gain authority in hiring/firing decisions?
 - Does the airport have input to future technology under privatization?

Discussion Questions:

- Cost/Timing
 - What are the cost savings or gained efficiencies?
 - Can you supplement local funds with federal funds?

Discussion Questions:

- Other issues

Next Steps:

*(Note: this is an information-only
roundtable discussion briefing)*
