

2017 Port-Wide Goals

2017 Goals	Century Agenda Strategies
1. Design and build Aviation and Maritime infrastructure to accommodate regional growth	Advance this region as a leading tourism destination and business gateway
2. Maximize the Port's Real Estate portfolio to create living wage jobs	Position the Puget Sound region as a premier international logistics hub
3. Provide workforce training, quality jobs and business opportunities for our underrepresented communities	Use our influence as an institution to promote small business growth and workforce development
4. Drive initiatives that demonstrate the Port's environmental leadership in Washington State	Be the greenest, and most energy efficient port in North America.
5. Create a High Performance Organization to accelerate the Port's speed of delivery and ability to support the growth in the region	Mission: The Port of Seattle is a public agency that creates jobs by advancing trade and commerce, promoting industrial growth, and stimulating economic development
6. Improve transportation for the region including moving goods and people to and from Aviation and Maritime facilities	Advance this region as a leading tourism destination and business gateway
7. Strengthen local and state industrial land use policies	Be the greenest, and most energy efficient port in North America (prevent sprawl and strengthen logistics hub)
