People experiencing homelessness in Seattle/King County are OUR NEIGHBORS.

*74% were in living in housing that they rented, owned, or with friends/ relatives when they became homeless

Over 90%

of people experiencing homelessness would take safe/affordable housing if it were offered.

Rental assistance and more affordable housing were cited as the top two supports needed to end their experience of homelessness.

People experiencing homelessness need HOUSING.

TRANSFORMING THE SYSTEM

Over **7**,500

households moved from homelessness to permanent housing in 2016,

a 50% increase compared to 2013.

We are moving
MORE PEOPLE from
homelessness to
housing - and doing it
FASTER THAN EVER.

THE WORK AHEAD

Homelessness will only be solved with the commitment and resources of our **ENTIRE COMMUNITY**.
