S Spokane St

# East Marginal Way

- Mode sharing, interim solutions to enhance safety
- Supporting the Heavy Haul Network
- Long term improvement project

# South Spokane Street and Lander Project

- Improve truck congestion
- Establish technical response group

- Improves traffic flow (removes 4.5 hours daily closure from trains)

# 15<sup>th</sup> Avenue West

- Transportation Fund related to Key Arena redevelopment
- Transportation and infrastructure plan for Terminal 91 Uplands redevelopment
