Century Agenda

The Century Agenda is a comprehensive vision and strategic plan to guide the port's evolution in the first part of our second century.

The Century Agenda focuses on sustainability:

- Economy
- Equity
- Environment
- Employees

The Century Agenda is scheduled to be completed for the Port of Seattle's centennial in 2011.

Expert Panel Report

- **Panel Membership**: volunteer stakeholder representatives, at least one Port Commissioner, and a senior Port executive
- **Process**: **Four expert panels held 11 meetings in 2008**
 - Green Port Strategy
 - Social Responsibility
 - Real Estate and Land Use
 - Funding Policy and Strategy
- **Results**: **22 recommended guiding principles, including five shared principles, detailed in the Expert Panels' Guiding Principles document**

Motion to adopt the expert panels' guiding principles for the Century Agenda Strategic Plan.
