**COMMISSION AGENDA**

**Item No.** 6b

**Date of Meeting** February 23, 2010

**DATE:** February 17, 2010

**TO:** Tay Yoshitani, Chief Executive Officer

**FROM:** Melinda Miller, Director, Portfolio Management  
Patricia Spangler, Real Estate Manager

**SUBJECT:** Term Lease with Arctic Storm Management Group, LLC at Pier 69.

**Amount of This Request: \$344,557**

**Source of Funds: Tax Levy**

**ACTIONS REQUESTED:**

Request for authorization for the Chief Executive Officer to execute a five-year lease, with an option to renew for one additional five-year term, with the Arctic Storm Management Group, LLC and to provide funds for tenant improvements and broker fee in the amount of \$344,557.

**BACKGROUND:**

Early in the fall of 2009, Fugro Seafloor Surveys, Inc., (SSI) occupying approximately 20,000 square feet on the west end of the first floor of Pier 69 notified the Real Estate Division staff that the company planned to close its Seattle office and vacate at the end of their lease expiration date of March 31, 2010.

The Real Estate Division in collaboration with the Seaport Division reviewed current Seaport customers for possible interest in the coming available space. In addition, the Real Estate Division prepared a flyer marketing the space specifically targeting water dependent users and distributing the flyers to brokers within the greater Puget Sound area. This distribution of the flyer to the brokers resulted in one response from a broker representing Arctic Storm Management Group, LLC (ASMG). The Port staff and ASMG represented by their broker entered into negotiations.

ASMG was formed in October 2001 and provides management services to the fishing vessels Arctic Storm Inc., Arctic Fjord Inc. and Sea Storm Fisheries, Inc. ASMG has been a long-term customer of the Port mooring vessels at other Port properties.

### **DOCUMENTS ASSOCIATED WITH THIS REQUEST:**

- Lease is not available until it is signed, but the terms of this lease are provided in this memo.

### **ALTERNATIVES CONSIDERED/RECOMMENDED ACTION:**

- Not execute lease agreement: Not executing the proposed lease would mean the 20,000 sf office and storage/warehouse space would remain vacant resulting in no new revenue opportunity to the Port.
- Execute Proposed Lease: Proceeding with the proposed lease agreement for a space that has a relatively narrow market of water-dependent users. The proposed lease agreement will also allow the Port to utilize the existing space with limited alterations, keeping the warehouse/storage as-is and modifying the office portion only. *This is the recommended action.*

### **PREVIOUS COMMISSION ACTION:**

- None.
