Federal Aviation Regulation Part 150 Aircraft Noise and Land Use Compatibility Study Update

Stan Shepherd, Manager - Airport Noise Programs

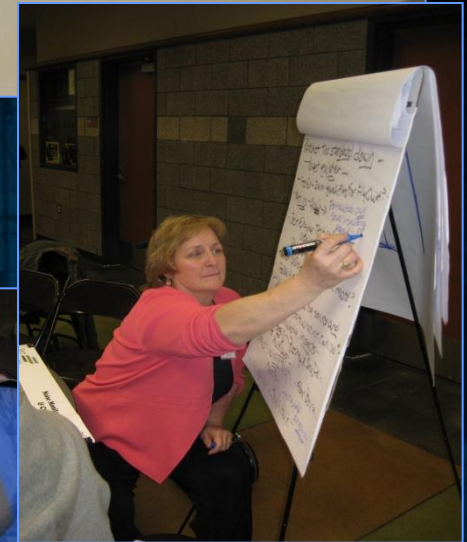

Public Workshop -- February 24th Mount Rainier High School, Des Moines

- Approximately 150 people
- Elected officials and staff participated
- 15 discussion groups, each managed by a professional facilitator

Evaluations & Feedback

- Evaluations distributed
- Facilitators recorded detailed comments
- Comments will be combined into a comprehensive report
- All suggestions will be evaluated for inclusion in the study

Key Issues from the 2/23 Policy Roundtable & the 2/24 Public Workshop:

- Issues that fall within the Part 150
- Issues that fall outside of the Part 150

Next Steps:

- *Highline Forum briefing on March 24*
- *Next public workshop is scheduled for May/June*
- *Port staff to schedule special presentations before local cities*
- *Continued regular Commission briefings*
- *Technical work ongoing -- consultants developing Noise Exposure Maps*
