# Port Funding

• Construction:	\$4,286,000 <sup>(1)</sup>
• Aquatic Easement:	\$534,000
• Environmental Mitigation Easement:	\$180,000 <sup>(2)</sup>
Total:	\$5,000,000

<sup>(1)</sup> Port construction funding would be made in two equal payments of \$2,143,000 at midpoint and at completion of construction (estimated in 2012 and 2013).

<sup>(2)</sup> The \$180,000 is a financial offset towards the Port's contribution, rather than land replacement, as staff had originally advised the Commission when obtaining authorization to execute the easements in July 2010.
