## **NOTICE**

**SEATTLE** -- The Port of Seattle Century Agenda Committee will host a Century Agenda Business and Community Leaders Breakfast from 7:00 to 9:00 a.m. on Tuesday, February 14, 2012, at the Maritime Events Center at Pier 66, 2211 Alaskan Way, Seattle, Washington.

The Port of Seattle Commission will be introducing the Century Agenda - our 25-year strategic plan that will keep your region competitive, spur job growth, foster small business, develop the workforce of the future, and ensure Seattle's port is the greenest and most energy efficient in North America. The overarching Century Agenda goal is to add 100,000 jobs to the regional economy.

As the year progresses, the Committee will gather feedback that will drive the Port's direction in pursuit of its mission of economic development – generating jobs, minimizing our environmental footprint, anchoring urban industrial lands, and wisely stewarding the public's tax dollars.
