ROYAL ROBINSON, President

MONTY ANDERSON, Executive Secretary

Whereas; The Port of Seattle has multiple projects excluded from current PLA's;

Whereas; The Port of Seattle enters into ground leases that are exempt from prevailing wage;

Whereas; The Port of Seattle reimburses tenants for performing build outs that are not paid at prevailing wage or advertised as public works;

Whereas; The Port of Seattle needs the Seattle King County Building Trades to stand with them politically;

Be it resolved; The Seattle King County Building Trades will not enter into additional PLA's until the Port of Seattle places PLA requirements on ground leases and includes all work on Port property under the terms of a PLA;

Furthermore; The Seattle King County Building Trades directs the Executive Director, Monty Anderson to notify of the Port Commission and the CEO of the Port of Seattle of this resolution.
