

RESOLUTION NO. 3711

A Resolution of the Port Commission of the Port of Seattle, establishing a Port Development Authority pursuant to ESHB 1170, WA Session Laws of 2015-6, (RCW 53.08 xxx), jointly with the Port of Tacoma and approving the PDA Charter

WHEREAS, the Port of Seattle and Port of Tacoma, (“Ports”), are port districts, organized under provisions of the laws of the State of Washington, and codified under Title 53 RCW; and

WHEREAS, the Ports pursuant to Federal law (46 USC Section 40301(b)(1-2)), have filed a Discussion Agreement with the Federal Maritime Commission (“FMC”) for permission to jointly operate certain marine cargo facilities through an alliance; and

WHEREAS, the Discussion Agreement became effective on July 23, 2015; and

WHEREAS, the Ports seek to form the alliance pursuant to the following federal and state authorities: (1) the FMC Discussion Agreement, (2) an interlocal agreement with delegated powers exercised pursuant to the port joint powers statute (RCW 53.08.240) which expressly permits joint operation and investment outside of a port’s district, (3) RCW 39.34.030, the state Interlocal Cooperation Act, and (4) pursuant to

ESHB 1170, WA Session Laws of 2015-6, (Title 53.XX RCW), which authorizes the Ports to create a port development authority (“PDA”) to use, operate and manage certain marine facilities jointly, to be known as The Northwest Seaport Alliance (“Alliance”); and

WHEREAS, the operations, management and business of the Alliance shall be managed by the port districts as managing members of the PDA (“Managing Members”). Each port district member shall act in such capacity through its own elected commissioners; and

WHEREAS, the Ports expect that the Alliance will operate pursuant to the following structures and authority:

1. Effective August 4, 2015 and pursuant to the above state laws and ESHB 1170, WA Session Laws of 2015-6, (Title 53.XX RCW), the Alliance will operate under the terms of the PDA’s Charter attached hereto as Exhibit A (“Charter”), which shall continue indefinitely until dissolution thereof in accordance with the provisions of the Charter or as otherwise provided by law. Also effective as of August 4, 2015, the Ports as Managing Members shall license to the Alliance the operation, management, and use of certain properties of each Port as set forth in the Charter at Schedule 2 (“Licensed Properties”).

2. During the period beginning on the Charter's effective date through December 31, 2015 ("Startup Period"), the Ports shall continue to receive all revenues and pay all expenses related to the operations, management, and use of the Licensed Properties.
3. Effective as of January 1, 2016, the Managing Members shall make the capital contributions required under the Charter.

WHEREAS, ESHB 1170, WA Session Laws of 2015-6, (RCW 53.XX) provide that a port or ports shall create a PDA by adoption of a Resolution which approves the PDA's Charter;

NOW, THEREFORE, BE IT RESOLVED by the Port Commission of the Port of Seattle as follows:

The Charter of The Northwest Seaport Alliance, a Washington port development authority, as attached hereto as **Exhibit 1**, is hereby adopted to be effective as of August 4, 2015, and on that effective date is entered into by and among the Commission of the Port of Tacoma, a port district operating under the laws of the state of Washington, and the Commission of the Port of Seattle, a port district operating under the laws of the state of Washington, each as a "Managing Member" and collectively as "Managing Members" of the PDA.

ADOPTED by the Commission of the Port of Seattle at a meeting thereof, held this 4th day of August, 2015, and duly authenticated in open session by the signatures of the Commissioners present and voting in favor thereof and the seal of the Commission.

Port Commissioners

**EXHIBIT 1
PDA CHARTER**

THE NORTHWEST SEAPORT ALLIANCE CHARTER

This CHARTER (the “**Charter**”) of The Northwest Seaport Alliance, a Washington port development authority (the “**PDA**”), dated as of August 4, 2015 (the “**Effective Date**”), is entered into by and among the Port of Tacoma, a public port district operating under the laws of the state of Washington, and the Port of Seattle, a public port district operating under the laws of the state of Washington, as members of the PDA (each, a “**Managing Member**” and collectively, “**Managing Members**”), and, for purposes of Section 4.2, Section 5.5, Section 5.8, Section 11.15, Article VII, and Article IX, the PDA.

WHEREAS, pursuant to Federal law 46 USC Section 40301(b)(1-2), the United States Congress has granted authority for ports and marine terminal operators in certain circumstances and if approved by the Federal Maritime Commission, to “discuss, fix or regulate rate or other conditions of service; or engage in exclusive, preferential, or cooperative working arrangements, to the extent that such agreements involve ocean transportation in the foreign commerce of the United States”;

WHEREAS, under Washington State law, including Chapter 53.08 RCW, which allows ports to exercise any of their powers jointly by mutual agreement and allows the Managing Members to form a port development authority and including the Interlocal Cooperation Act, which allows ports to act jointly (including the formation of a separate legal entity for such joint cooperative action), the Managing Members desire to come together to form, establish, and support this PDA to carry out the unified management and operation of the Marine Cargo operations of each Managing Member; and

WHEREAS, the Managing Members individually will remain separate port districts governed by locally elected port commissioners; the creation of this PDA will not consolidate or merge the Managing Members and nothing in this Charter changes the governance of each Managing Member; and neither the creation of this PDA nor anything in this Charter relieves either Managing Member of any obligation or responsibility imposed upon it by law or bond covenant;

NOW, THEREFORE, in consideration of the mutual premises and covenants contained herein, and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

ARTICLE I DEFINITIONS

1.1 Listed Definitions. Capitalized terms used but not otherwise defined in the Charter have the following meanings:

(a) “**Affiliate**” means, with respect to any Person, any other Person that directly or indirectly controls, is controlled by, or is under common control with, such Person. For these purposes, “control” means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of such Person, whether through the ownership of voting securities, by contract, or otherwise.

(b) “**Calculation Period**” means a period of time approved by the CEO that is no longer than a fiscal quarter.

(c) “**Cash**” means cash or financial investments/securities as allowed by Washington State.

(d) “**Covered Person**” means (i) each Managing Member, (ii) each officer, director, commissioner, member, Affiliate, agent, or representative of each Managing Member, and each of their Affiliates, and (iii) each CEO, officer, agent, or representative of the PDA.

(e) “**Damages**” means, collectively, any losses, claims, damages, judgments, fines, or liabilities, including reasonable legal fees or other expenses incurred in investigating or defending against such losses, claims, damages, judgments, fines, or liabilities, and any amounts expended in settlement of any claims.

(f) “**Delegation of Authority Master Policy**” means the Delegation of Authority Master Policy attached as Exhibit A hereto, as may be amended by the Managing Members from time to time.

(g) “**Dispute**” means a material difference of opinion between the Managing Members that cannot be resolved via the consent of each Managing Member and that requires the consent of each Managing Member, and is limited to (i) those matters where a Managing Member believes in good faith that the other Managing Member is in material breach of any of its obligations under any agreement in connection with the PDA and that such breach is likely to cause immediate and irreparable harm to such Managing Member or the PDA, (ii) matters of interpretation of this Charter or other written Agreements between the PDA and one or both Homeports, (iii) distribution matters upon dissolution pursuant to Section 10.3, or (iv) such other matters as may be agreed to by both Managing Members.

(h) “**Distributable Cash**” means an amount equivalent to cash flow provided from operations as calculated pursuant to GAAP for a Calculation Period.

(i) “**Five Year Capital Investment Plan**” means a plan of capitalized and expensed projects that the PDA plans to complete in the following five years.

(j) “**GAAP**” means United States generally accepted accounting principles.

(k) “**Homeport**” means either the Port of Seattle or the Port of Tacoma, as applicable, acting in its capacity as such (rather than in its capacity as a Managing Member).

(l) “**Interlocal Cooperation Act**” means RCW 39.34, as amended.

(m) “**Joint Powers**” means RCW 53.08.240, the Port Joint Powers Authority.

(n) “**Marine Cargo**” means waterborne goods other than grain, liquified natural gas, or methanol.

(o) “**Membership Equity**” means the equity of the respective Managing Members as shown on the PDA’s financial statements.

(p) “**Net Income**” and “**Losses**” means, for each Fiscal Year or other period, an amount equal to the PDA’s net operating income or losses less depreciation plus non operating income or losses, including extraordinary and special items for such Fiscal Year or other period, determined in accordance with GAAP.

(q) “**Other Cash**” means any Cash other than Distributable Cash not in a dedicated reserve.

(r) “**Person**” means an individual, corporation, association, limited liability company, limited liability partnership, partnership, estate, trust, joint venture, unincorporated organization or other entity or a government or any agency or political subdivision thereof.

(s) “**Port Development Authority Act**” means ESHB 1170, WA Session Laws of 2015-6, (RCW 53.08 [new sections]), as amended.

(t) “**RCW**” means Revised Code of Washington.

(u) “**Special Covered Person**” means any past or present officer or employee of the PDA.

(v) “**Transfer**” means, with respect to any Membership Interests, a direct or indirect transfer, sale, exchange, assignment, pledge, hypothecation, or other encumbrance or other disposition of such Membership Interests, including the grant of an option or other right, whether directly or indirectly, whether voluntarily, involuntarily, or by operation of law.

1.2 Other Definitions. The remaining capitalized terms used in the Charter but not defined in Section 1.1 are defined in this Charter on the following pages:

Bond Income Calculation	10	Licensed Property Agreements.....	6
Capital Construction	9	Managing Member(s)	1
Charter	1	Mediation Period	16
Contingencies.....	22	Membership Interest	5
Declined Cargo	4	Membership Interest Affirmation	6
Dispute Notice Date	16	PDA	1
Effective Date	1	PDA-Owned Personal Property	8
Fiscal Year	11	Post-Formation Improvements	8
Initial Period.....	17	PRA	23
JAMS Rules	16	Tax Matters Person.....	13
Licensed Properties.....	6	Working Capital	8

ARTICLE II ORGANIZATIONAL MATTERS

2.1 PDA Name. The name under which the PDA shall conduct its business is “The Northwest Seaport Alliance.” The business of the PDA may be conducted under any other name permitted by applicable law as the Managing Members may determine from time to time.

2.2 Business Purpose.

(a) The PDA’s purpose is to promote and assist economic development of the Managing Members’ Marine Cargo operations with an emphasis on unified business retention and recruitment, coordinated enhancement of the value of Marine Cargo properties, improved intermodal rail service, improved freight capabilities, and the general promotion of maritime economic development and other related Port business activity.

(b) During the term of this Charter and subject to the provisions of Section 2.2(e), the PDA will be the manager and operator of the Marine Cargo business of both Managing Members, and will manage and operate such other supporting business properties as may be licensed to the PDA by the Managing Members from time to time, along with any Post-Formation Improvements in accordance with

this Charter. The PDA will oversee such operations, capital investments, and investments with unified management as described in this Charter to (i) optimize the value of Marine Cargo properties; (ii) grow cargo volumes and protect market share for the benefit of the region and state; (iii) manage overall terminal capacity, through coordinated investment strategies; (iv) provide enhanced job prospects for the Managing Members' labor and business partners, and (v) achieve overall financial returns that will not only enable reinvestment but also ultimately provide additional, unencumbered financial returns for each Managing Member.

(c) The Managing Members are committed to shared core objectives of financially viable business models that support customer success, value the port-labor partnership, protect and increase regional jobs, benefit the citizens of Pierce and King counties, promote the Pacific Northwest corridor's role in US trade strategies and the greater North American economy, and ensure the ability of each Managing Member to reinvest in terminal assets and infrastructure.

(d) It is the commitment of each Managing Member that the Managing Members will act to further the purposes set forth in the foregoing provisions of this Section 2.2 in good faith and fair dealing pursuant to the terms of this Charter.

(e) The Managing Members affirm and shall adhere to the following allocation of Marine Cargo activities between the PDA and Homeports:

(i) Marine Cargo activities for the Licensed Properties, which are operated, managed, and used by PDA, are exclusive to PDA.

(ii) Homeports may continue Marine Cargo activities for existing Homeport businesses, the operation, management, and use of which are not licensed to the PDA.

(iii) For any Marine Cargo opportunities, the PDA has the right of first refusal to handle such business. If the PDA refuses by action or inaction to handle any Marine Cargo opportunity ("**Declined Cargo**"), one of the Homeports may handle the Declined Cargo under any of the following conditions:

(A) the PDA decides, by vote, to refer such opportunity to one of the Homeports;

(B) the PDA refuses (by vote) to handle the Declined Cargo and one of the Homeports thereafter provides written notice to the PDA within 10 business days after such vote of its intention to handle the Declined Cargo; or

(C) the PDA fails to take action within 45 days (which period may be extended by vote of the Managing Members) after the CEO has notified the Managing Members of the Marine Cargo opportunity, in which case the Homeport that wishes to handle the Declined Cargo may do so after it has sent written notice to the PDA at any time after such 45 day period or any extensions have expired.

2.3 Formation. The Managing Members have formed the PDA as of the Effective Date. The Managing Members shall license the operation, management, and use of the Licensed Properties as set forth in **Schedule 2** effective as of January 1, 2016. The Managing Members shall make the capital contributions required under Section 3.7 effective as of January 1, 2016. During the period beginning the Effective Date through December 31, 2015, the Homeports shall continue to receive all revenues and pay all expenses related to the operations, management, and use of the Licensed Properties.

2.4 Authority; Power. The PDA shall have the power and authority to engage in such activities and to exercise such powers permitted to port development authorities, including authority to perform any lawful public purpose or public function related to maritime activities of the Homeports that created this PDA, under the laws of the State of Washington, and all subject to the limitations provided in the Port Development Authority Act, provided however, the PDA shall not have authority to issue debt or to own real property.

2.5 Limitation of Liability. The obligations and liabilities of the PDA, whether arising in contract, tort, or otherwise, shall be solely the obligations and liabilities of the PDA, and the Managing Members shall have no obligation whatsoever for any such obligation or liability of the PDA solely by reason of being a Managing Member. The failure of the PDA to observe any formalities or requirements relating to the exercise of its power or management of its business or affairs under the Port Development Authority Act or this Charter shall not be grounds for imposing liability on the Managing Members for any obligations, or liabilities of the PDA.

2.6 Ownership.

(a) Formation. The Managing Members (a) have caused the PDA to be formed as a port development authority under the Interlocal Cooperation Act, the Joint Powers, and the Port Development Authority Act by resolution, and the Managing Members shall cause the CEO of the PDA to execute, file, and record (or direct the execution, filing, and recording of) all certificates and documents as may be appropriate to comply with all requirements for the continuation and operation of a port development authority, the ownership of personal property, and the conduct of business by the PDA under the laws of the State of Washington and any other jurisdiction in which the PDA may own personal property or conduct business; and (b) hereby confirm and agree to their status as Managing Members. Nothing in this Charter and no actions taken by the parties under this Charter shall constitute a partnership between any of the parties for any purpose. For the purposes of RCW 25.05.055, the PDA is formed under the Interlocal Cooperation Act, Joint Powers, and the Port Development Authority Act.

(b) Managing Members. The Managing Members identified in the preamble are the only members of the PDA. Based on the valuations described in Section 3.1 of the Licensed Properties (as set forth in **Schedule 2**), the Managing Members have pro rata percentage interests in the PDA (the ownership and respective percentage interest, a “**Membership Interest**”) and thus shall share Net Income or Losses pro rata based on each Managing Member’s respective percentage Membership Interest, unless and until agreed otherwise by both Managing Members pursuant to Section 3.1. No other Person may become a member of the PDA. Except as otherwise expressly provided in this Charter, the PDA shall not issue or redeem any Membership Interest without the prior written consent of each Managing Member. The Managing Members shall not have any interest in the PDA other than the Membership Interests, which have only the rights provided in this Charter. Nothing in this Section 2.6 precludes a Managing Member from having contractual arrangements with the PDA, subject to the other provisions of this Charter. Other than as provided in Section 10.1, with respect to dissolution and liquidation, Membership Interests shall not entitle a Managing Member to any title in or to the whole or any part of the property of the PDA or right to call for a partition or division of the same.

(c) Limitations on Transfer. No Managing Member may Transfer any Membership Interests. Any purported Transfer of Membership Interests not in accordance with this Charter shall be null and void, and the PDA shall refuse to recognize any such Transfer for any purpose and shall not reflect in its records any change in record ownership of Membership Interests pursuant to any such Transfer.

(d) Separate Existence. The PDA shall do all things necessary to maintain its port development authority existence separate and apart from each Managing Member and any Affiliate of any

Managing Member, including maintaining its books and records on a current basis separate from that of the Managing Members, any Affiliate of the PDA, or any other Person, and shall segregate the PDA's assets from that of the Managing Members, any Affiliate of the PDA, or any other Person.

(e) **Offices.** The PDA shall have such locations as the Managing Members may deem appropriate. The Managing Members acknowledge that PDA staff will be based in locations in both King and Pierce Counties, and may have staff and locations outside the United States, whether on a transitional basis or for ongoing operational needs. The Managing Members shall authorize, and the CEO shall execute, deliver, and file, any certificates (and any amendments and/or restatements thereof) necessary for the PDA to qualify to do business in any jurisdiction in which the PDA may wish to conduct business. The Managing Members shall authorize, and the CEO shall cause, the PDA to be qualified, formed, or registered in any jurisdiction in which the PDA transacts business in which such qualification, formation, or registration is required or desirable.

2.7 Term. The PDA commenced on the Effective Date and shall continue indefinitely until dissolution thereof in accordance with the provisions of this Charter or as otherwise provided by law.

ARTICLE III MEMBERSHIP INTERESTS, BUDGETING, WORKING CAPITAL, CASH USE AND RESERVES, AND CAPITAL CONSTRUCTION

3.1 Valuation of Membership Interests.

(a) Each Managing Member will license to the PDA only the operation, use, and management of certain real and personal property of such Managing Member, and not ownership of such property (the property for which such operation, use, and management have been so licensed, the "**Licensed Properties**"). Such license of operation, use, and management of the Licensed Properties is needed to carry out the purpose of the PDA, and the Licensed Properties include the real and personal property, leases, terminals, and infrastructure listed in **Schedule 2**. The PDA will not take ownership of the Licensed Properties. Ownership of the Licensed Properties will continue to be separately held by the applicable Managing Member, including the respective responsibility for debt and debt service, subject to the allocation of environmental costs as provided in Section 3.2 below. In order for the PDA to carry out the purposes of the PDA set forth in Section 2.2, the Managing Members agree and acknowledge that the PDA may enter into one or more agreements with each Managing Member for the PDA's exclusive management, operation, and use of the Licensed Properties (such agreements, the "**Licensed Property Agreements**").

(b) For purposes of determining the Managing Members' respective Membership Interests, the Managing Members acknowledge and agree on the valuations of the use of the Licensed Properties set forth in **Schedule 2**, which valuations are based on a ten year net present value of each such Licensed Properties' estimated cash flows and enterprise value, including "maintenance and repair" capital and updated operation, maintenance, and administrative costs provided by each Managing Member.

(c) Such Membership Interest valuations shall remain in effect until the earlier of termination or dissolution of the PDA, except as described in Sections 3.1(c)(i) and 3.1(c)(ii) below.

(i) **One-time Membership Interest Affirmation.** The CEO shall review the valuation as of December 31, 2017 of the Licensed Properties used to calculate the initial Membership Interests to confirm if there has been a material change to such value (such review, the "**Membership Interest Affirmation**"). This one-time Membership Interest Affirmation shall be limited to those Licensed Properties where the Marine Cargo terminal revenues were not secured by contractual

agreements throughout the time period covered by the Initial Membership Interest valuation. The CEO will complete the Membership Interest Affirmation no later than March 31, 2018. If a material change has occurred, the applicable Membership Interest shall be adjusted by the difference between the initial valuation of that Licensed Property and the recalculated net present value of that same Licensed Property, each over the same initial ten year initial cash flow valuation period, such net present value to be calculated consistently using the methodology used to calculate the Initial Membership Interest under Section 3.1(b) above. Upon recommendation by the CEO, the Managing Members shall approve any change in Membership Interest by vote, to include provision for addressing any change to Distributions and allocations as a result of the change in Membership Interest.

(ii) **Addition or Removal of any Property Licensed to the PDA.** From time to time, upon recommendation of the CEO, the Managing Members may approve by vote to add or remove Licensed Properties from the PDA, specifying the effective date of such addition or removal. Revenues of each Licensed Property so removed or so added as a Licensed Property shall be valued consistently using the methodology used to calculate the initial Membership Interest, and the Membership Interests shall be adjusted accordingly.

3.2 Allocation of Environmental Costs. Environmental costs shall be allocated by and between the Homeports and the PDA as follows:

(a) **General Intent.** Environmental remediation costs and project mitigation costs associated with Licensed Properties and business activities shall be allocated between the PDA and Homeports as described herein. Remediation costs associated with contamination on Licensed Properties that occurred before the Effective Date shall remain the responsibility of the Homeport in which the Licensed Property is located, provided that any remediation costs necessary to support PDA operations shall be the responsibility of the PDA, even if the contamination actually occurred before the Effective Date. For any Post-Formation Improvement not owned by either Homeport prior to PDA formation, remediation costs shall be the responsibility of the PDA. The allocation of environmental remediation and project mediation costs described in this Section 3.2(a) are subject to Sections 3.2(b) through 3.2(g) below. Notwithstanding the foregoing, all such cost allocations may be revised on a project-specific basis by vote of the Managing Members.

(b) **Remediation of Pre-Effective Date Contamination.** Regulatory remediation (whether by regulatory order or by a voluntary cleanup program) of contamination that occurred on a Licensed Property before the Effective Date shall be the responsibility of the Homeport that owns such Licensed Property, unless remediation is driven by PDA development or operations.

(c) **Maintenance Dredging.** Costs of routine maintenance dredging (dredging required due to sediment deposition) required for operation of Licensed Properties shall be the responsibility of the PDA, provided, however, that if there are incremental costs associated with contamination from such maintenance dredging, such costs shall be addressed under Section 3.2(e) below.

(d) **Environmental Monitoring for Past Environmental Clean Up Operations.** Environmental monitoring of a Licensed Property required after any environmental clean-up operation conducted by a Homeport as to any of its Licensed Properties shall be the responsibility of such Homeport.

(e) **Post PDA Redevelopment.** Any contamination that occurred before the Effective Date but is discovered during planning or construction of a PDA project on a Licensed Property that requires entering into an EPA or Washington State Department of Ecology Order for investigation and cleanup shall be the responsibility of the Homeport that owns such Licensed Property, provided

however, the Managing Members may choose to approve by vote to contribute to the cost of such cleanup if it would be advantageous for the PDA.

(f) Environmental Remediation Associated with Homeport Real Property Acquisition for PDA Development. If a Homeport acquires real property for PDA business, and that real property has or is later found to have contamination requiring a cleanup under federal or state law, then environmental remediation associated with that real property shall be the responsibility of the PDA.

(g) Habitat Mitigation Cost Allocation.

(i) Post-Formation Habitat Mitigation. The Homeports expect to develop advanced and/or mitigation banking credits that could be potentially sold or used by the respective Homeport(s) and/or the PDA depending on where the development activity impacts occur. These advance mitigation projects will be managed and paid for by the Homeports in which the advance mitigation projects are located.

(ii) Existing Mitigation Sites. To the extent feasible, ongoing operations and maintenance costs to maintain existing habitat and public access mitigation sites which were created to support a Licensed Property shall be the responsibility of the PDA.

(iii) Future Mitigation Sites. As each Homeport creates advanced mitigation sites, each will develop a per acre credit fee associated with the total cost-of-ownership, which will include land value, design, construction, monitoring and long-term operations and maintenance costs. Each Homeport shall offer the PDA the option to purchase advanced mitigation credits from such Homeport as needed to mitigate PDA development.

3.3 Post-Formation Improvements. The Managing Members may by vote authorize and instruct the PDA to acquire or construct, improvements to terminals, other improvements and infrastructure such as cranes and other fixtures on Licensed Properties as necessary to support PDA operations (“**Post-Formation Improvements**”), which Post-Formation Improvements shall be owned by the PDA. The PDA shall have exclusive control to determine the nature and manner of the use of any Post-Formation Improvement as well as the responsibility for its maintenance.

3.4 PDA-Owned Personal Property. The Managing Members may by affirmative vote authorize and instruct the PDA to, or the CEO may, subject to the Delegation of Authority Master Policy, acquire personal property necessary or useful to support PDA operations (“**PDA-Owned Personal Property**”).

3.5 Annual Budget. The Managing Members shall cause the CEO and other PDA management to prepare an annual operating budget in coordination with the Homeports’ budget processes and timing requirements as required by law, and PDA policies for consideration and approval by the Managing Members.

3.6 Five Year Capital Investment Plan. The Managing Members shall cause the CEO and other PDA management to annually prepare a Five Year Capital Investment Plan for Licensed Properties for approval by the Managing Members. Such approval by the Managing Members denotes conceptual agreement to the Five Year Capital Investment Plan only; any material capital expenditures shall be subject to Section 3.11.

3.7 Working Capital. Effective as of January 1, 2016, the Managing Members shall make initial cash capital contributions to the PDA as set forth on **Schedule 1** (collectively, “**Working Capital**”). The purpose of Working Capital is to provide the PDA with money required for operations.

The initial contributions of each Managing Member to Working Capital shall be the aggregate estimated amount of the working capital reserves as established by the Managing Members, which each Managing Member shall contribute based on the percentage of each Managing Members' respective Membership Interest. PDA operating cash flow (cash revenue less cash expenses) shall be a component of Working Capital and be distributed on a periodic basis not less than quarterly to each Managing Member as more particularly described in Article IV. Working Capital shall not be diverted for capital projects to Capital Construction.

3.8 Working Capital Reserve Policy. The Managing Members shall develop a reserve policy establishing a minimum target fund level for Working Capital. The CEO is directed to notify the Managing Members if Working Capital drops below such targeted minimum level and shall seek Managing Members' approval by vote to replenish Working Capital accordingly. The Managing Members may consider other requests for additional contributions to the PDA, the affirmative approval of which will require a vote by each Managing Member.

3.9 No Additional Contributions Without Managing Member Vote. Beyond the initial contribution to Working Capital and the initial contribution for Capital Construction as provided in Sections 3.7 and 3.12, no Managing Member shall be required to make any additional contributions to the PDA without the vote of each Managing Member, which vote may be taken as part of a Capital Construction project approval or vote to fund Capital Construction. If any such additional contribution is so approved but is not made by a Managing Member, such failure to make such contribution is acknowledged to be a material breach under clause (i) of the definition of "Dispute." In addition, without a vote of the Managing Members, no Managing Member shall be permitted to make any additional contributions to the PDA.

3.10 Additional Reserves. Appropriate additional reserves may be determined and charged to the Managing Members for contingent liabilities, if any, and as agreed to by the Managing Members as of the date any such contingent liability becomes known to the PDA management or either Managing Member, and such other reserves determined and agreed to by the Managing Members; provided, however, that any such reserves shall be charged to the Managing Members pro rata based on their respective Membership Interests.

3.11 Capital Expenditures. The CEO shall make recommendations to the Managing Members regarding any capital expenditures by the PDA but shall not carry out or commit to any such capital expenditures unless and until such expenditure has been authorized pursuant to the Delegation of Authority Master Policy.

3.12 Capital Construction. Separate from Working Capital, the PDA shall provide for the funding of capital expenditures ("**Capital Construction**") to be funded by a pro rata initial contribution from each Managing Member based on their respective Membership Interests. Managing Members may approve by vote contributions to Capital Construction in amounts other than based on each Managing Members' pro rata respective Membership Interests on a project-specific basis. Requests for funding Capital Construction shall be based on the CEO's periodic projection of PDA capital project cash flow needs. Managing Members may consider requests for additional contributions to the PDA, the affirmative approval of which will require a vote by each Managing Member. Capital Construction shall be funded by each Managing Member separately and not from Working Capital. Distributions of Capital Construction funds will be made expressly subject to either (1) Managing Member approval of capital projects or (2) CEO approval of capital expenditure, where such expenditure is within the levels set in the Delegation of Authority Master Policy.

3.13 No Interest on Contributions. No Managing Member shall be paid interest on any of its contributions.

ARTICLE IV
CASH DISTRIBUTIONS, RESERVES, AND MEMBER BOND OBLIGATIONS

4.1 Distributions.

(a) The PDA through the CEO will make distributions of all Distributable Cash to the Managing Members as soon as practicable after each Calculation Period. Prior to executing any distribution, the CEO shall provide a report of the planned distribution to the Managing Members.

(b) Distributions to the Managing Members of Distributable Cash shall be distributed pro rata to the Managing Members based on their respective Membership Interests.

(c) Distributions of Other Cash may be other than pro rata as approved by the Managing Members. If the distribution is not consistent with the pro rata Membership Interests, the distribution will be recalculated at the next re-set date.

(d) Notwithstanding any provision to the contrary contained in this Charter, the PDA shall not make a distribution to any Managing Member if such distribution would violate applicable law.

4.2 Member Bond Obligations.

(a) **Managing Member Bond Obligations.** The PDA acknowledges the Managing Members' debt obligations and their obligations to cause their assets and facilities to be managed in a manner that will permit them to meet their rate and operating covenants. The Managing Members instruct the CEO to manage the PDA in a prudent and reasonable manner in support of the Managing Members' respective bond covenants. The Managing Members shall keep the CEO and PDA management informed of their respective bond obligations, and shall notify the other Managing Member of any proposed change to such Managing Member's Master Bond Resolutions as soon as practicable before adoption. Nothing in this section shall alter the respective share of distributions or revenues of each Managing Member based on their respective Membership Interest. Nothing in this Charter modifies or alters the obligations of each Managing Member with respect to its own bond obligations. The PDA does not assume any obligations to the Managing Members' bond holders.

(b) **Bond Income Calculation.** Managing Members shall establish and maintain a requirement for the PDA to calculate and establish a minimum level of net income from the PDA equal to the amount currently required for the Homeports to meet their current bond rate covenants ("**Bond Income Calculation**"). The Managing Members shall require the Bond Income Calculation to be reviewed annually as part of the PDA budget process and the Managing Members may adjust the Bond Income Calculation so long as it does not cause any Managing Member to fail to comply with its rate covenant. The PDA may not take any action that reasonably would reduce PDA income below the minimum level established by the Bond Income Calculation unless each Homeport separately votes to approve that action. Such a vote by each Homeport must occur even if the action is within the CEO's authority under the Delegation of Authority Master Policy. If net income before depreciation of the PDA is not sufficient for either Homeport to be in compliance with a rate covenant (as currently described in each Homeport's Master Bond Resolutions in effect as of the Effective Date), then:

(i) Upon that Homeport's request, the PDA shall hire an independent third-party consultant to perform analysis and make recommendations for actions needed to achieve bond covenant compliance.

(ii) If the consultant recommends an action that the PDA is unwilling, unable or refuses to undertake, either Managing Member can require dissolution of the PDA following the dispute resolution process even if within the Initial Period.

(iii) The PDA shall have at least four months to respond, act and or dissolve following its receipt of the consultant's recommended action, unless a shorter time is required by the applicable bond covenants.

(c) **Pledge for Security Purposes.** Each Managing Member's respective share of revenues received by the PDA with respect to the Licensed Properties may be pledged for security purposes in connection with the respective bond obligations of each of the Managing Members. The PDA shall cooperate with each Managing Member in connection with their respective bond obligations

(d) **No Adverse Effect on Managing Member Bonds.** Any actions proposed to be taken by the PDA that have a material and adverse effect on either Managing Member's ability to meet its bond obligations or regulatory compliance must be approved pursuant to this Section 4.2.

(e) **No PDA Debt Issuance.** The PDA will not issue bonds or enter into any other debt instruments or borrow funds from any other entity, including Homeports.

(f) **Management of Bond Proceeds.** If a Homeport provides a capital contribution from proceeds of tax-exempt bonds, the Homeport may manage or cause the PDA to manage the proceeds in a manner that provides for compliance with applicable regulations.

ARTICLE V ACCOUNTING; TAX MATTERS; PDA OPERATIONS

5.1 No Condemnation Authority or Taxing Authority. As provided in RCW 53.08.[*new section 4*], the PDA shall have no power of eminent domain. As provided in ESHB 1170, WA Session Laws of 2015-6, (RCW 53.08[*new section 4*]), the PDA shall have no power to levy taxes or special assessments.

5.2 Oversight; Accounting Principles; Accounting Period.

(a) **Managing Member Oversight.** The Managing Members through the CEO shall oversee the accounting, tax, and record keeping matters of the PDA, which shall be kept in compliance with GAAP and applicable laws and regulations.

(b) **Fiscal Year.** Unless otherwise determined by the Managing Members, the fiscal year of the PDA (the "**Fiscal Year**") shall conclude on December 31st of each calendar year. The taxable year of the PDA for any applicable state and local tax purposes shall be the same as the PDA's Fiscal Year unless a different taxable year is required by law.

5.3 Allocation of Net Income or Losses. For each Fiscal Year, Net Income or Losses, or items thereof, shall be allocated among the Managing Members pro rata to the Managing Members based on their respective Membership Interests.

5.4 Other Allocation Rules. For purposes of determining the Net Income, Losses, or any other items allocable to any period, Net Income, Losses, and any such other items shall be determined on a daily, monthly, or other basis, as reasonably determined by the Managing Members using any permissible method under GAAP.

5.5 Financial Statements and Reports.

(a) The PDA shall comply with all requirements of law and GAAP with respect to its financial statements.

(b) Subject to Section 5.5(a):

(i) The PDA shall provide to the Managing Members monthly, quarterly, and annual financial statements of the PDA and such other information as may be reasonably requested by each Managing Member. Such financial statements shall be delivered to the Managing Members consistent with current Homeport reporting guidelines.

(ii) Monthly and quarterly financial statements may be unaudited, but the annual financial statements shall be audited by an accounting firm selected by the Managing Members.

(iii) Monthly and quarterly financial statements shall include an unaudited consolidated balance sheet as of the end of such period, as well as an unaudited consolidated income statement and an unaudited statement of cash flows for such period. Yearly financials shall include the audited consolidated balance sheet as of the end of such year, and a consolidated income statement, consolidated statement of Managing Members' equity, and a consolidated statement of cash flows of the PDA for such year.

(c) The PDA shall establish any subdivision of funds, accounts, or reports for either Homeport to manage information associated with the PDA.

5.6 Membership Equity. The PDA shall account for Membership Equity in accordance with the following:

(a) Membership Equity for a Managing Member shall be (i) increased by such Managing Member's contributions and its share of Net Income, and (ii) reduced by such Managing Member's share of Losses and Distributions.

(b) Maintenance of Membership Equity is intended to comply with joint venture accounting under GAAP. If the Managing Members determine it is prudent to modify the manner in which Membership Equity, or any debits or credits thereto, are computed in order to so comply therewith, the Managing Members may make such modification unless such modification is likely to have a material effect on the amounts distributable to either Managing Member upon dissolution of the PDA.

(c) Except upon dissolution of the PDA or as otherwise provided in this Charter, no Managing Member shall have the right to withdraw from the PDA or to demand or to receive the return of all or any part of its Membership Equity or its contributions.

5.7 Tax Reports. All tax returns and reports of the PDA shall be prepared at the direction of the CEO.

5.8 Inspection Rights. The PDA shall, and shall cause its CEO and other PDA management, employees, auditors, and other agents to afford the officers, commissioners, employees, auditors, and other agents of the Managing Members or any of their Affiliates, during normal business hours and upon reasonable advance notice to the PDA, (i) reasonable access at all reasonable times to its management, employees, auditors, legal counsel, properties, offices, and other facilities and to all books and records including related financial systems for any purpose reasonably related to such Managing Member's interest in the PDA, and (ii) the opportunity to consult with PDA management from time to time as such

Managing Member or its Affiliates may reasonably request regarding the affairs, finances, and accounts of the PDA.

5.9 Elections. Except as otherwise provided in this Charter, all decisions as to accounting principles, whether for the PDA's books or for tax purposes (and such decisions may be different for each such purpose) and all elections available to the PDA under applicable tax law, shall be made by the CEO. However, where that may differ materially from the accounting principles applied by the Managing Members, the CEO shall consult with the Managing Members' chief financial officers.

5.10 Tax Audits and Litigation.

(a) Designation of Tax Matters Person. The CEO is hereby designated as the tax matters person ("**Tax Matters Person**") with respect to the PDA. In such capacity the Tax Matters Person shall have all of the rights, authority, and power, and shall be subject to all of the obligations, analogous to those of a tax matters partner to the extent provided in the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder; provided, that the exercise of such rights, authority, and power shall be consistent with all PDA elections and provided further that if any exercise of such rights has an adverse impact on a Managing Member, the consent of such Managing Member shall be required.

(b) Foreign, State, and Local Tax Law. If any foreign, state, or local tax law provides for a tax matters partner or person having similar rights, powers, authority, or obligations as described in Section 5.10(a), the CEO shall also serve in such capacity and shall represent the PDA in all tax audit contest or settlement matters to the extent allowed by law.

5.11 Tax Classification of the PDA. It is intended that the PDA be classified as a tax exempt entity for United States Federal income tax purposes and no election to the contrary may be made. For purposes of Washington state and local taxation, the PDA shall be classified and treated consistent with the Port Development Authority Act and the Interlocal Cooperation Act. No Managing Member or CEO or member of PDA management shall take any action that causes the PDA to be treated, for Federal income tax purposes, as a taxable corporation or as a partnership for Federal income tax purposes or otherwise change the exempt status of the PDA or a Managing Member.

ARTICLE VI PDA MANAGEMENT, OFFICERS, AND EMPLOYEES

6.1 PDA Management.

(a) The PDA shall be governed by its Managing Members, who will carry out the provisions of ESHB 1170, WA Session Laws of 2015-6, (RCW 53.08.[*new section 4(1-3)*]) by overseeing the business of the PDA as decided by the Managing Members and consulting with and advising the CEO. The Managing Members reserve to themselves all authority granted to the PDA under state law, including the authority designated in RCW 53.08, except as expressly delegated to the CEO in this Charter or in the Delegation of Authority Master Policy. Each Managing Member shall act in such capacity through its own elected commissions.

(b) The PDA shall reimburse the Managing Members for all reasonable out-of-pocket expenses incurred in connection with their attendance at meetings of the Managing Members, including travel, lodging, and meal expenses, and per diem compensation as allowed by RCW 53.12.260 and as may further be determined by each Managing Member. For purposes of RCW 53.12.260(1), "performance of other official services or duties on behalf of the Managing Members' port district"

includes the participation and action by PDA Managing Members. Payment by the PDA of Managing Members' international travel requires prior authorization by both Managing Members.

(c) The CEO will report proposed expenditures for promotion and promotional hosting as provided in RCW 53.36.120 to the Managing Members as part of the annual budget adoption under Section 3.5. Expenditures proposed for promotional hosting shall be limited as provided in RCW 53.36.130.

(d) PDA management and agents holding positions responsible for industrial development and trade promotion that are authorized to host under the Delegation of Authority Master Policy are authorized to make expenditures for promotional hosting of all appropriate PDA activities, subject to the Delegation of Authority Master Policy. Payment by the PDA for Managing Member hosting requires prior authorization by both Managing Members, which may be authorized as part of the annual budget approval process.

6.2 Managing Members Meetings.

(a) The Managing Members shall meet at least quarterly. Managing Members' meetings shall be open to the public to the extent required by RCW 42.30. The Managing Members shall establish and file regular meeting dates and times per RCW 42.30.075. Special meetings may be called and shall be noticed pursuant to RCW 42.30.080.

(b) Any vote by a Managing Member referenced in this Charter shall require the vote of such Managing Member in open session. Approval by each Managing Member is defined as an affirmative vote of three of the five commissioners of such Managing Member, regardless of quorum. In any meeting of the Managing Members, a single Managing Member may move to recess the Managing Members' meeting for the purpose of convening a special public meeting and vote by the port commission of that Managing Member; provided however, in such case, all appropriate prior public notice and posting requirements shall have been followed.

(c) The Managing Members may hold executive sessions to consider matters enumerated in RCW 42.30 or privileged matters recognized by law, including such confidential sessions as may be authorized pursuant to a Federal Maritime Commission-approved Discussion Agreement. Notice of meetings shall be given and meeting agendas published in a manner consistent with the Port Development Authority Act, RCW 42.30, RCW 42.30.077, this Section 6.2(c), and other applicable state or federal law. Meetings of the Managing Members may be held at any time at any location specified in the notice thereof in such place within the State of Washington as allowed by RCW 42.30.

(d) Managing Members may participate in Managing Member meetings and executive sessions by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, or by any other means permitted by law, so long as any public portion of such meeting is open to public attendance.

(e) Copies of the minutes of the public portion of all regular or special meetings of the Managing Members shall be available to any person or organization that requests them as required by state law.

(f) The Managing Members shall establish bylaws to guide the procedural protocols of the Managing Members.

6.3 CEO Hiring. The Managing Members shall select an initial CEO, who shall perform duties for the PDA pursuant to an agreement with an initial term of five years. Additional contract

extension(s) are allowed, if approved by both Managing Members. Such agreement shall set out the CEO performance expectations, with quantifiable regional metrics where appropriate, and shall provide for not less than an annual performance evaluation. The Managing Members will undertake the selection of successor CEOs, which shall require the approval of both Managing Members.

6.4 CEO and Management Dual Role – Acknowledgement and Limit on Term.

Managing Members affirm that initially the Port of Tacoma chief executive officer may also serve as the CEO. The Managing Members acknowledge the duality of these responsibilities, for both the CEO and other PDA executive management team members. The Managing Members require therefore that the Managing Members, the CEO and other PDA executive team members with dual responsibilities shall, with all good faith, conduct themselves in an open and transparent manner, disclose any area of potential or real conflict of interest, and promote the best interests of the PDA. No individual shall hold dual executive management responsibilities in the PDA for a period of more than five years. If the initial CEO is replaced before the five year term described above, the Managing Members shall select a new CEO, who shall be independent from the management of either Homeport.

6.5 CEO Authority. The CEO is the principal executive officer of the PDA, has general charge and supervision of the business of the PDA, and shall see that all orders, actions, and resolutions of the Managing Members are carried out. The CEO will be responsible for the executive management of the PDA, and shall report directly to the Managing Members acting in their governing capacity. The CEO has the authority to establish the reporting structure within the PDA and to take such actions, subject to this Charter, as are in accordance with the Delegation of Authority Master Policy, and shall have such other authority and shall perform such other duties as set forth in this Charter or the Delegation of Authority Master Policy, or, to the extent consistent with this Charter, such other authorities and duties as prescribed by the Managing Members.

6.6 Other Officers. The Managing Members may designate one or more officers of the PDA management, and shall so designate officers of the PDA as required by law. Any officer so designated shall have such authority and perform such duties as the Managing Members may, from time to time, delegate to him or her.

6.7 Removal and Resignation. The CEO and any other officer of the PDA management may be removed as such, with or without cause, by the Managing Members (subject to any severance provisions in any applicable agreement with the PDA as to such person), and may resign as such at any time upon written notice to the PDA. Such resignation shall be made in writing and shall take effect at the time specified therein or, if no time is specified therein, at the time of its receipt by the PDA. The acceptance of a resignation shall not be necessary to make it effective, unless expressly so provided in the resignation.

6.8 Fiduciary Duties; Authority.

(a) The CEO and each other officer of the PDA management shall discharge his or her duties in good faith, with the care an ordinarily prudent person in a like position would exercise under similar circumstances, and in a manner the CEO or such other officer reasonably believes to be in the PDA's best interest. Such duties are intended to be analogous to and may be further defined as the duties of care and loyalty of such officers in a Washington for profit corporation, or as further defined by contract between the PDA or specific Managing Member, as applicable, and the CEO which governs the CEO's duties to the PDA.

(b) The Managing Members shall have only the contractual duties to the PDA and to each other set forth in this Charter, and each Managing Member and the PDA hereby waives and disclaims any and all fiduciary duties that may be implied to apply pursuant to the relationship created by

this Charter. Nothing in this Charter alters or affects the fiduciary or other duties the elected commissioners and management of each Managing Member have to such Managing Member.

(c) No Managing Member acting independently shall have the authority under this Charter to manage the business and affairs of the PDA or contract for or incur on behalf of the PDA any debts, liabilities, or other obligations, and no such independent action of a Managing Member will be binding on the PDA in the absence of any authority from the Managing Members to take such action on behalf of the PDA.

ARTICLE VII DISPUTE RESOLUTION

7.1 General. The PDA and the Managing Members waive any right to seek recourse in court for any dispute regarding the PDA, this Charter, or the transactions or other documents contemplated by this Charter, and agree that resolution efforts under this Article VII shall be the exclusive remedies available for resolution of such disputes.

7.2 Notice of Dispute. The resolution procedures in this Article VII may be invoked only for a Dispute. To invoke such procedures, a Managing Member shall provide written notice of the Dispute to the other Managing Member (the date on which such notice first becomes effective, the “**Dispute Notice Date**”).

7.3 Resolution Efforts; Mediation; **Arbitration.**

(a) **Discussions.** The Managing Members shall call a special meeting for the sole purpose of addressing the Dispute as soon as practicable (and in any event within 15 days) after the Dispute Notice Date. The Managing Members shall attempt to resolve in good faith such Dispute within 15 days after the date of such special meeting. Such efforts shall consist of discussion of the Dispute by the Managing Members or by responsible lead representatives of and chosen by each Managing Member.

(b) **Mediation.** If the Dispute is not resolved under Section 7.3(a) above, thereafter either Managing Member may elect to invoke mediation by a neutral party selected either by the Managing Members or by such lead representatives. If mediation is invoked, the Managing Members agree to submit such Dispute to mediation under any format or rule to which the Managing Members mutually agree, and if no agreement can be reached, then in accordance with the Comprehensive Arbitration Rules of JAMS, The Resolutions Experts (a provider of dispute resolution services) (the “**JAMS Rules**”). The Managing Members may use any mediator upon whom they mutually agree. The cost of any mediator shall be paid by the PDA, unless the Managing Members agree otherwise.

7.4 Deadlocked Dispute. If the Managing Members are unable to resolve a Dispute under Section 7.3(b) (Mediation) above within 60 days after the Dispute Notice Date (the “**Mediation Period**”), then either Managing Member may declare that such Dispute has become a deadlocked Dispute. For any deadlocked Dispute, subject to Sections 7.5 and 7.6, the PDA shall continue to conduct its business without engaging in expenditures or other new activity associated with such Dispute.

7.5 Arbitration.

(a) If the Managing Members are unable to resolve the Dispute under Section 7.3(b) (Mediation) above within the Mediation Period and such Dispute relates to a Licensed Property Agreement or to distribution matters upon dissolution pursuant to Section 10.3, then, within 60 days after the Mediation Period, either Managing Member may elect that such Dispute be submitted to, and settled by, binding arbitration under this Section 7.5. If the Managing Members are unable to agree upon the

format and rules for such arbitration within 75 days after the applicable Dispute Notice Date, the JAMS Rules shall apply to such arbitration. If the Managing Members are unable to agree on an arbitrator able to conduct arbitration in Washington within 90 days after the applicable Dispute Notice Date, the Managing Members shall request that JAMS furnish to each Managing Member a list of three such potential arbitrators, who shall be former federal court judges, and each Managing Member may each strike one name, thereby nominating the remaining person as the arbitrator. If more than one name remains as of 100 days after the Dispute Notice Date, JAMS may choose the arbitrator from the list of remaining names.

(b) Any arbitration decision shall be in writing, binding and shall specify the factual and legal basis for the decision. Judgment upon any decision rendered by the arbitrator may be entered in any court with jurisdiction. The arbitrator shall expeditiously resolve the applicable Dispute with reference to the intent of the Managing Members and the PDA in entering into the Licensed Property Agreement at issue, with the aim that such intent be fulfilled as completely as possible.

7.6 Dissolution. If, after following the procedures set forth in Section 7.3, no resolution of a Dispute is reached, and only after the expiration of a period of 20 years after the PDA Effective Date (the “**Initial Period**”), then, after two special meetings in open session regarding such Dispute with a comment period between such special meetings of at least 30 days, either Managing Member may elect (by vote) that the PDA be wound up and dissolved in accordance with this Charter.

ARTICLE VIII MANAGING MEMBER REPRESENTATIONS AND WARRANTIES

8.1 Representations and Warranties of the Managing Members. Each Managing Member hereby represents and warrants to each other Managing Member and to the PDA that on the date hereof:

(a) **Existence; Authority; Enforceability.** Such Managing Member has the necessary power and authority to enter into this Charter and to carry out its obligations hereunder. Such Managing Member is duly organized and validly existing under the laws of the State of Washington, and the execution of this Charter, and the consummation of the transactions contemplated herein, have been authorized by all necessary corporate or other action, and no other act or proceeding, corporate or otherwise, on its part is necessary to authorize the execution of this Charter or the consummation of any of the transactions contemplated hereby. This Charter has been duly executed by such Managing Member and constitutes its legal, valid, and binding obligation, enforceable against it in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, and other similar laws relating to or affecting creditors’ rights generally, general equitable principles (whether considered in a proceeding in equity or at law), and any implied covenant of good faith and fair dealing.

(b) **Absence of Conflicts.** The execution and delivery by such Managing Member of this Charter and the performance of its obligations hereunder do not and will not (i) conflict with, or result in the breach of, any provision of the constitutive documents of such Managing Member; (ii) result in any violation, breach, conflict, default, or event of default (or an event that with notice, lapse of time, or both, would constitute a default or event of default), or give rise to any right of acceleration or termination or any additional payment obligation, under the terms of any material contract, agreement, or permit to which such Managing Member is a party or by which such Managing Member’s assets or operations are bound or affected that would have a material adverse effect on the PDA and its operations as contemplated in this Charter; or (iii) violate, in any material respect, any law applicable to such Managing Member or the PDA.

(c) **Consents.** Other than the consent of the Federal Maritime Commission and any consents that have already been obtained, no consent, waiver, approval, authorization, exemption,

registration, license, or declaration is required to be made or obtained by such Managing Member in connection with (i) the execution, delivery, or performance of this Charter or (ii) the operation of the PDA as contemplated herein.

8.2 Entitlement to Rely on Representations and Warranties. The foregoing representations and warranties may be relied upon by the PDA, and by the other Managing Member, in connection with the entering into of this Charter.

ARTICLE IX EXCULPATION AND INDEMNIFICATION

9.1 Exculpation of Covered Persons.

(a) Exculpation. Except as otherwise provided by the Port Development Authority Act and this Charter and any other agreement contemplated herein, the debts, obligations, and liabilities of the PDA, whether arising in contract, tort, or otherwise, shall be solely the debts, obligations, and liabilities of the PDA, and no Covered Person shall be obligated personally for any such debt, obligation, or liability of the PDA solely by reason of being a Covered Person. This Charter is not intended to, and does not, create or impose any fiduciary duty on any Covered Person other than as set forth in Section 6.8(a).

(b) Standard of Care. No Covered Person shall be liable to the PDA or any other Covered Person for any loss, damage, or claim incurred by reason of any action taken or omitted to be taken by such Covered Person in good-faith reliance on the provisions of the Port Development Authority Act or this Charter, so long as such action or omission does not constitute fraud, gross negligence, bad faith, or willful misconduct by such Covered Person.

(c) Good Faith Reliance. A Covered Person shall be fully protected in relying in good faith upon the records of the PDA and upon such information, opinions, reports, or statements (including financial statements and information, opinions, reports, or statements as to the value or amount of the assets, liabilities, net income, or net losses of the PDA or any facts pertinent to the existence and amount of assets from which distributions might properly be paid) of the following Persons or groups: (i) the other Managing Member; (ii) the CEO or one or more officers or employees of the PDA; (iii) any attorney, independent accountant, appraiser, or other expert or professional employed or engaged by or on behalf of the PDA; or (iv) any other Person selected in good faith by or on behalf of the PDA, in each case as to matters that such relying Person reasonably believes to be within such other Person's professional or expert competence.

9.2 Indemnification.

(a) To the fullest extent permitted by the Port Development Authority Act or other applicable law and including as subject to any requirements of RCW 4.96.041, if applicable, as the same now exists or may hereafter be amended, substituted, or replaced (but, in the case of any such amendment, substitution, or replacement only to the extent that such amendment, substitution, or replacement permits the PDA to provide broader indemnification rights than permitted to the PDA to provide prior to such amendment, substitution, or replacement), and subject further to the provisions of Section 9.2(b), the PDA:

(i) shall indemnify, hold harmless, defend, pay and reimburse any Special Covered Person for Damages, subject to compliance with and the requirements of RCW 4.96.041, and

(ii) may indemnify, hold harmless, defend, pay, and reimburse any Covered Person (other than Special Covered Person) against any and all Damages.

(b) The indemnification provisions of Section 9.2(a) require that such Special Covered Person or Covered Person became subject to such Damages by reason of:

(i) Any act or omission or alleged act or omission performed or omitted to be performed on behalf of the PDA or any Managing Member in connection with the business of the PDA; or

(ii) The fact that such Person is or was acting in connection with the business of the PDA as CEO or other employee or agent of the PDA, any Managing Member, or any of their respective controlling Affiliates, or that such Person is or was serving at the request of the PDA as a partner, member, manager, director, officer, commissioner, or agent of any Person including the PDA; such Person acted in good faith, in compliance with this Charter and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful, and (2) such Person's conduct did not constitute fraud, gross negligence, bad faith, willful misconduct, or knowing violation of law, in either case as determined by a final, nonappealable order of a court of competent jurisdiction. In connection with the foregoing, the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that such Person did not act in good faith or, with respect to any criminal proceeding, had reasonable cause to believe that such Person's conduct was unlawful, or that such Person's conduct constituted fraud, gross negligence, or willful misconduct.

(c) **Reimbursement.** The PDA may promptly reimburse (and/or advance to the extent reasonably required) each Special Covered Person or Covered Person for reasonable legal or other expenses (as incurred) of such Person in connection with investigating, preparing to defend, or defending any claim, lawsuit, or other proceeding relating to any Damages for which such Person may be indemnified pursuant to this Section 9.2; provided that if it is finally judicially determined that such Person is not entitled to the indemnification under this Section 9.2, then such Person shall promptly reimburse the PDA for any reimbursed or advanced expenses.

(d) **Indemnity Process Not Exclusive.** The process to seek indemnification provided by this Section 9.2 shall not be deemed exclusive of any other rights to indemnification to which those seeking indemnification may be entitled under any agreement or otherwise. The provisions of this Section 9.2 shall continue to afford a process to seek protection to each Covered Person regardless of whether such Covered Person remains in the position or capacity pursuant to which such Covered Person became entitled to seek indemnification under this Section 9.2 and shall inure to the benefit of the executors, administrators, legatees, and distributees of such Covered Person.

(e) **Insurance.** To the extent available on commercially reasonable terms, the PDA may purchase, at its expense, insurance to cover Damages covered by the foregoing indemnification provisions and to otherwise cover Damages for any breach or alleged breach by any Covered Person of such Covered Person's duties in such amount and with such deductibles as the Managing Members may determine; provided that the failure to obtain such insurance shall not affect the right to seek indemnification of any Covered Person under the indemnification provisions contained herein, including the right to be reimbursed or advanced expenses or otherwise indemnified for Damages hereunder. If any Covered Person recovers any amounts in respect of any Damages from any insurance coverage, then such Covered Person shall, to the extent that such recovery is duplicative, reimburse the PDA for any amounts previously paid to such Covered Person by the PDA in respect of such Damages.

(f) **Funding of Indemnification Obligation.** Notwithstanding anything contained herein to the contrary, any indemnity by the PDA relating to the matters covered in this Section 9.2 shall be provided out of and to the extent of PDA assets only, and no Managing Member shall have liability on account thereof or shall be required to make additional Capital Contributions to help satisfy such indemnity by the PDA.

(g) **Savings Clause.** If this Section 9.2 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the PDA may nevertheless indemnify and hold harmless each Covered Person pursuant to this Section 9.2 to the fullest extent permitted by any applicable portion of this Section 9.2 that shall not have been invalidated and to the fullest extent permitted by applicable laws or regulations.

(h) **Amendment.** The provisions of this Section 9.2 shall be binding between the PDA, on the one hand, and each Covered Person who served in such capacity at any time while this Section 9.2 is in effect, on the other hand, pursuant to which the PDA and each such Covered Person intend to be legally bound. No amendment, modification or repeal of this Section 9.2 that adversely affects the rights of a Covered Person to seek indemnification for Damages incurred or relating to a state of facts existing prior to such amendment, modification or repeal shall apply in such a way as to eliminate or reduce such Covered Person's entitlement to seek indemnification for such Damages without the Covered Person's prior written consent, unless prohibited by state law.

ARTICLE X DISSOLUTION, LIQUIDATION, AND TERMINATION

10.1 Managing Member Dissolution Actions. No Managing Member shall take any action to dissolve, terminate, or liquidate the PDA (other than in connection with an agreement pursuant to Section 10.2(a)(i) or an election pursuant to Section 10.2(a)(ii)) or to require re-valuation, apportionment, appraisal or partition of the PDA or any of its assets, or to file a bill for an accounting, except as specifically provided in this Charter, and each Managing Member, to the fullest extent permitted by applicable law, hereby waives any rights to take any such actions under applicable law, including any right to petition a court for judicial dissolution.

10.2 Events Causing Dissolution.

(a) The PDA shall be dissolved and its affairs shall be wound up upon the first of the following to occur:

- (i) a determination by both Managing Members to dissolve the PDA;
- (ii) the election by a Managing Member that the PDA be dissolved upon the declaration by a Managing Member (after following the procedures set forth in Article VII, including the condition that the Initial Period must have first elapsed) that there is a deadlocked Dispute;
- (iii) A dissolution called by a Managing Member at any time as provided in Section 4.2(b)(ii), relating to its bond obligations, subject to compliance with the processes outlined in the Section 4.2(b)(ii) to achieve bond covenant compliance if possible including exhausting the Dispute Resolution process of Article VII.
- (iv) And any dissolution required by operation of law.

(b) Dissolution of the PDA shall be effective as of the day on which the event occurs giving rise to the dissolution, but the PDA shall not terminate until there has been a winding up of the

PDA's business and affairs, and the PDA's assets have been distributed as provided in Section 10.3 and under law.

10.3 Distribution.

(a) **Properties.** In the event of dissolution of the PDA, and as part of the wind down process, the CEO shall present a full account of the Licensed Properties, Post-Formation Improvements, PDA-Owned Personal Property, and liabilities of the PDA to the Managing Members. The Managing Members shall direct the CEO to hire an independent third party consultant to calculate the values for each Licensed Property and Post-Formation Improvement using the formulas described in this Section 10.3(a), which shall determine the credits/debits due to the Managing Members upon dissolution, provided however, all such credit/debit allocations may be revised by vote of the Managing Members.

(i) **Licensed Properties and Post-Formation Improvements.** The PDA shall through its CEO relinquish all operation, use, and management of each Licensed Property and Post-Formation Improvement back to the Managing Member that owns the applicable Licensed Property, and authorizes the CEO to execute all instruments to accomplish same.

(A) For Licensed Property that was leased and where the original lease commenced before the Effective Date and remains substantially intact (with no subsequent amendments materially affecting cash flows), the Homeport where such Licensed Property is not located shall receive a final valuation credit in an amount equal to that Homeport's Membership Interest in the net book value of any Post-Formation Improvements located on that Licensed Property.

(B) For Licensed Property with lease(s) that were entered into after the Effective Date, the Homeport where the Licensed Property is not located shall receive a final valuation credit in an amount equal to that Homeport's Membership Interest in the net present value of the remaining lease cash flows, over the remaining lease term (excluding extension options).

(C) For Licensed Property with lease(s) that were in existence as of the Effective Date and that were amended after the Effective Date resulting in materially affected positive cash flow (including term extensions) after the Effective Date the Homeport where the Licensed Property is not located shall receive a final valuation credit in an amount equal to the greater of (1) that Homeport's Membership Interest in the net book value of any Post-Formation Improvements on that Licensed Property, and (2) that Homeport's Membership Interest in the net present value of the difference between the amended lease cash flows and the original lease cash flows, over the remaining lease term (excluding extension options).

(D) For Licensed Property that is vacant or not under long-term lease upon dissolution, the Homeport where such Licensed Property is not located shall receive a final valuation credit in an amount equal to that Homeport's Membership Interest in the net book value of any Post-Formation Improvements located on that Licensed Property.

(E) For Licensed Property with lease(s) that were in existence as of the Effective Date and that were amended after the Effective Date resulting in materially affected negative cash flow (including term reduction) after the Effective Date, the Homeport where the Licensed Property is located shall receive a final valuation credit in an amount equal to that Homeport's Membership Interest in the net present value of the difference between the amended lease cash flows and the original lease cash flows, over the remaining lease term (excluding extension options).

(ii) **PDA-Owned Personal Property.** Each Managing Member shall give notice to the other Managing Member of any of the tangible PDA-Owned Personal Property that such Managing Member desires be distributed to it.

(A) If neither Managing Member wants a specified item of PDA-Owned Personal Property and Section 10.3(a)(ii)(C) below does not apply, then the Managing Members shall dispose of such PDA-Owned Personal Property through the statutory process for surplusing of personal property pursuant to ESHB 1170, WA Session Laws of 2015-6, (RCW 53.08.[*new section(s)*]).

(B) If only one Managing Member wants a specified item of PDA-Owned Personal Property, then the Managing Members shall surplus such PDA-Owned Personal Property to such Managing Member at its fair market value.

(C) If both Managing Members want a specified item of PDA-Owned Personal Property, and fail to agree as to which Managing Member shall receive such PDA-Owned Personal Property, then the Managing Members shall dispose of such PDA-Owned Personal Property through the statutory process for surplusing of personal property pursuant to ESHB 1170, WA Session Laws of 2015-6, (RCW 53.08.[*new section(s)*]).

(iii) The Managing Members shall dispose of the PDA's intangible assets using equitable apportionment principles if not possible to dispose of such items on a pro rata basis in accordance with Membership Interests.

(b) **Payment of Liabilities; Reserve for Contingencies.** Before any distribution of any PDA-Owned Personal Property to the Managing Members or the distribution of any proceeds from the sale of any PDA-Owned Personal Property to the Managing Members pursuant to this Section 10.3, the PDA shall first pay the debts and liabilities of the PDA and the expenses of liquidation and establish any reserve that the Managing Members shall deem reasonably necessary for any anticipated liabilities or obligations of the PDA, including liabilities pursuant to PDA agreements not otherwise transferred in connection with the winding up of the PDA (collectively, "**Contingencies**"). Such reserve may be paid over by the Managing Members to any attorney-at-law, or acceptable party, as escrow agent, to be held for disbursement to payment of any Contingencies and, at the expiration of such period as shall be deemed advisable by the Managing Members for distribution of the balance in the manner hereinafter provided in this Section 10.3. The establishment of such reserve may also involve the use of a liquidating trust, bonds, and tail period insurance coverage. After the application of Section 10.3(a), any remaining cash shall be distributed to the Managing Members in accordance with Membership Equity after making the allocations provided for in Section 10.3(c) and adjusting Membership Equity for any distributions or sales pursuant to Section 10.3(a).

(c) **Other.** Net Income and Losses shall be determined for the period of winding up (including any amounts attributable to the sale or distribution of assets set forth in this Section 10.3 and allocated in accordance therewith). No Managing Member shall have an obligation to make a contribution or additional contribution to restore any negative balance in its Membership Equity, with the exception of any amounts owed by one Managing Member to the other for amounts owed to reconcile values of Post-Formation Improvements as provided in Section 10.3(a)(i).

10.4 Accounting on Liquidation. Upon liquidation of the PDA, a proper accounting shall be made by the PDA's accountants of the PDA's assets, liabilities, and results of operations through the last day of the month in which the PDA is terminated. Allocations of Net Income and Losses upon liquidation of the PDA shall be as provided in Section 10.3.

10.5 Termination. At such time as the distributions provided for in Section 10.3 have been made, the PDA and this Charter shall terminate. Upon the termination of this Charter, no party shall have any liability or obligation to any other party hereunder, provided that:

(a) termination of this Charter shall not relieve a party from liability for any breach of this Charter on or before the date of termination,

(b) Article IX shall survive termination of this Charter in accordance with its terms, and

(c) the provisions of Section 5.10 shall survive the dissolution of the PDA and shall remain binding on all Managing Members for a period of time necessary to resolve with the applicable taxing authorities all matters (including any litigation) regarding state or local taxation, as the case may be, of the PDA,

ARTICLE XI MISCELLANEOUS

11.1 Records. The books and records of the PDA shall be available for inspection by the Managing Members at any appropriate office and place of business of the PDA. The PDA shall maintain its records in a manner consistent with RCW 40.14 and in compliance with RCW 42.56, the Public Records Act (“**PRA**”). The PDA shall by resolution adopt and enforce PRA rules and regulations as deemed necessary or advisable by the Managing Members and shall appoint a public records officer for the PDA.

11.2 Third Party Beneficiaries. Except as provided in Article IX, this Charter does not create any rights, claims, or benefits inuring to any Person that is not a party hereto, and it does not create or establish any third party beneficiary hereto.

11.3 Binding Effect. Except as otherwise provided in this Charter to the contrary, this Charter shall be binding upon and inure to the benefit of the Managing Members, and their legal representatives, successors, and permitted assigns.

11.4 Severability. If any provision of this Charter shall be held to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The Managing Members agree to use good faith efforts to replace such invalid or unenforceable provision of this Charter with a valid and enforceable provision that will achieve, to the extent possible, the purposes of such invalid or unenforceable provision. If the Managing Members cannot reach a mutually agreeable and enforceable replacement for such invalid, illegal, or unenforceable provision, the balance of the Charter shall be interpreted as if such provision were so excluded so as reasonably to effectuate the intent of the Managing Members.

11.5 Notices. Unless otherwise specified herein, all notices, consents, approvals, reports, designations, requests, waivers, elections, and other communications authorized or required to be given pursuant to this Charter shall be in writing and shall be given or made (and shall be deemed to have been duly given or made upon receipt) by personal hand-delivery, by facsimile transmission, by electronic mail, by mailing the same in a sealed envelope, registered first-class mail, postage prepaid, return receipt requested, or by air courier guaranteeing overnight delivery, sent to the addresses on **Schedule 3** hereto (as such may be updated by notice from time to time).

11.6 Usage Generally; Interpretation.

(a) The captions and headings of this Charter are for convenience of reference only and shall not affect the interpretation of this Charter.

(b) The meanings of defined terms are equally applicable to the singular and plural forms of the defined terms.

(c) The words “hereof,” “herein,” “hereunder,” and similar words refer to this Charter as a whole and not to any particular provision of this Charter.

(d) The term “including” is not limiting and means “including but not limited to.”

(e) Whenever the context requires, any pronouns used herein shall include the corresponding masculine, feminine, or neuter forms.

(f) All references herein to Articles, Sections, recitals, paragraphs, Exhibits, and Schedules shall, unless the context requires a different construction, be deemed to be references to the Articles, Sections, recitals, paragraphs, Exhibits, and Schedules of this Charter.

(g) Any statute or law defined or referred to herein means such statute or law as from time to time amended, modified, or supplemented, including by succession of comparable successor statutes.

11.7 Entire Agreement. This Charter embodies the entire charter of the PDA and supersedes all prior agreements and understandings between the Managing Members with respect to the subject matter hereof.

11.8 Counterparts. This Charter may be executed in any number of counterparts, including by electronic transmission or facsimile, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.

11.9 Amendments. The terms and provisions of this Charter may only be modified or amended at any time and from time to time by mutual agreement of the Managing Members.

11.10 Further Assurances. Each Managing Member shall execute and deliver any additional documents and instruments and perform any additional acts that the Managing Members determine to be necessary or appropriate to effectuate and perform the provisions of this Charter.

11.11 Governing Law.

(a) **Governing Law.** This Charter shall be governed and construed in accordance with the laws of the State of Washington, without regard to the conflicts of law principles thereof. Generally, in the event of a conflict, the following sources of authority shall prevail in descending order of supremacy: (i) Federal law and regulation, including those of the Federal Maritime Commission; (ii) state law and regulation, including the Joint Powers, the Port Development Authority Act, and the Interlocal Cooperation Act; (iii) this Charter; (iv) any policies of the PDA, including the Delegation of Authority Master Policy.

(b) **Waiver of Jury Trial.** Each of the parties to this Charter acknowledges and agrees that any controversy arising under this Charter is likely to involve complicated and difficult issues. As a result each party to this Charter irrevocably and unconditionally waives any right that such party

may have to resort to the Courts for a judicial remedy and to a trial by jury in respect to litigation arising out of this Charter or any of the transactions related hereto. Each party to this Charter understands and has considered the implications of this waiver and makes this waiver voluntarily.

11.12 Registered Office. The registered office of the PDA in the State of Washington is PO Box 2985, Tacoma, WA 98401-2985. The PDA shall by resolution designate a registered agent appointed to accept service of process and the name, address, and business hours of the PDA office of risk management for purposes of claims pursuant to RCW 4.92.

11.13 Fees and Expenses. Except as specifically set forth herein, each Managing Member shall be responsible for its pro rata portion, in accordance with its Membership Interests, of any legal and other fees and expenses incurred by such party in connection with the negotiation and preparation of this Charter and the transactions contemplated hereby.

11.14 Waivers. No waiver of any breach of any of the terms of this Charter shall be effective unless such waiver is made expressly in writing and executed and delivered by the party against whom such waiver is claimed. No waiver of any breach shall be deemed to be a further or continuing waiver of such breach or a waiver of any other or subsequent breach. Except as otherwise expressly provided herein, no failure on the part of any party to exercise, and no delay in exercising, any right, power, or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power, or remedy by such party preclude any other or further exercise thereof, or the exercise of any other right, power, or remedy.

11.15 Dispute Resolution Process Sole Remedy. It is hereby agreed and acknowledged that it will be impossible to measure in money the damages that would be suffered if the parties fail to comply with any of the obligations herein imposed on them and that, in the event of any such failure, an aggrieved person will be irreparably damaged and will not have an adequate remedy at law. Therefore, parties agree that all disputes are subject to the dispute resolution provisions of Article VII.

1. PREAMBLE

a. **Roles and Responsibilities of the Alliance**

- i. The primary mission of the Alliance is to act as the exclusive operator and manager of Alliance cargo and terminal properties for the Ports. The purpose of the Alliance is to promote and assist economic development of the Managing Members' marine cargo operations with an emphasis on unified business retention and recruitment, coordinated enhancement of the value of marine cargo assets, improved intermodal rail service, improved freight capabilities, and the general promotion of maritime economic development and other related Port business activity.
- ii. The Alliance oversees operations and capital investments; optimizes the value of marine cargo assets; grows cargo volumes and protects market share for the benefit of the region and state; manages overall terminal capacity, through coordinated investment strategies; provides enhanced job prospects for the Managing Members' labor and business partners; and achieves overall financial returns that not only enable reinvestment but also provide additional financial returns for each Managing Member.

b. **Relationship between the Alliance Managing Members and the Alliance Executive (CEO)**

- i. It is the Managing Members' responsibility to establish Alliance policies, hold the CEO responsible for the implementation of such policies, and to authorize the expenditures of public funds to implement those policies. It is the CEO's responsibility to implement the policies and to inform the Managing Members on how the policies will be implemented.
- ii. The operations and affairs of the Alliance are managed by the two port districts as members of the Port Development Authority and via the Charter for the Alliance. Each port district member shall act in such capacity through its own elected commissioners. All statutory powers and authority of the Alliance not delegated herein are retained by the Managing Members.
- iii. The Managing Members and the CEO shall regularly inform and consult each other on the execution of Alliance policies, operations, and information relevant to Managing Members oversight. Public oversight is inherent in the Managing Members' role. Oversight cannot be delegated away, and nothing in this Delegation of Authority Master Policy shall be construed as doing so.
- iv. The Managing Members may at any time rescind or suspend all or any portions of the delegated authority conferred upon the CEO under this Resolution by further resolution passed in a public meeting.

2. OVERVIEW OF THE ADMINISTRATIVE AUTHORITY OF THE ALLIANCE CEO

a. **Roles and Responsibilities of the CEO**

- i. The CEO derives authority from the Managing Members, and is responsible for carrying out the Managing Members' policies.
- ii. The CEO serves as primary spokesperson for Alliance operations and management.
- iii. The CEO retains professional staff, and will promulgate policies and procedures that create administrative, monetary, and contractual delegations of Managing Member-granted authority as may be appropriate.
- iv. Subject to the limitations identified in this Delegation of Authority Master Policy, the CEO shall be responsible for:
 1. Operation, maintenance, administration, and use of the Alliance's terminals, properties, and facilities;
 2. Implementation of construction work and alterations, repairs and improvements to real estate and physical facilities controlled and operated by the Alliance;
 3. Administration of day-to-day normal Alliance operations which may include personnel administration, task and project assignments, hiring, firing, discipline, and training;
 4. Applying for permits associated with Alliance facilities or projects;
 5. Application for and acceptance of grants or other funds from federal, state, or local governments, subject to the approval of Managing Members if required per Sections 9.d. herein;
 6. Delivery of services essential to the Alliance's mission; financial and accounting related matters; legal matters; and all other administrative matters.

3. CEO POWERS DELEGATED BY CHARTER.

Pursuant to the below-referenced Articles/sections of the Charter, the Managing Members acknowledge the following delegations to the CEO. In the event of any lawful modification to the Charter which affects the Articles/sections below, the Charter provision shall take precedence and this Delegation of Authority Master Policy shall be amended to be consistent with such Charter revisions.

- a. **Article 1.5(a). Filing of Certificates.**
 - i. The CEO is authorized to execute, file, and record (or direct the execution, filing, and recording of) all certificates and documents as may be appropriate to comply with all requirements for the continuation and operation of a port development authority, the ownership of property, and the conduct of business by the PDA under the laws of the State of Washington and any other jurisdiction in which the PDA may own property or conduct business.
- b. **Article 1.5(e) Actions Required to Do Business.**
 - i. The CEO is authorized to execute, deliver, and file, any certificates (and any amendments and/or restatements thereof) necessary for the PDA to qualify to do business in any jurisdiction in which the PDA may wish to conduct business. The CEO is authorized to cause the PDA to be qualified, formed, or registered in any jurisdiction in which the PDA transacts business in which such qualification, formation, or registration is required or desirable.
- c. **Article 3.1(a)(i) Regular Distributions.**
 - i. The PDA through the CEO will make not less than quarterly distributions of Distributable Cash from the Working Capital Fund (as defined in PDA Charter Section 2.11) to the Managing Members at least quarterly. Prior to executing any distribution, the CEO shall provide a report of the planned distribution to the Managing Members, such report to include a description of how that distribution complies with the PDA Charter Article III.
- d. **Article 4.2(a). Accounting, Tax, and Record Keeping.**
 - i. The Managing Members authorize the CEO to oversee the accounting, tax, and record keeping matters of the PDA, which shall be kept in compliance with GAAP.
- e. **Article 4.6 Tax Reports**
 - i. The CEO is authorized to have prepared at his/her direction all tax returns and reports of the PDA.
- f. **Article 4.8 Elections**
 - i. Except as otherwise provided in the Charter, all decisions as to accounting principles, whether for the PDA's books or for tax purposes (and such decisions may be different for each such purpose) and all elections available to the PDA under applicable tax law, shall be made by the CEO.

g. **Article 4.9 Tax Audits and Litigation**

- i. (b) **Designation of Tax Matters Person.** The CEO is hereby designated as the tax matters person (“Tax Matters Person”) with respect to the PDA. In such capacity the Tax Matters Person shall have all of the rights, authority, and power, and shall be subject to all of the obligations, analogous to those of a tax matters partner to the extent provided in the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated there under; provided, that the exercise of such rights, authority, and power shall be consistent with all PDA elections and provided further that if any exercise of such rights has an adverse impact on a Member, the consent of such Member shall be required.
- ii. (b) **Foreign, State, and Local Tax Law.** If any foreign, state, or local tax law provides for a tax matters partner or person having similar rights, powers, authority, or obligations as described in Section 3.g.i, the CEO is authorized to also serve in such capacity and shall represent the PDA in all tax audit contest or settlement matters to the extent allowed by law.

h. **Article 5.4 CEO Authority**

- i. The CEO is the principal executive officer of the PDA, has general charge and supervision of the business of the PDA, and shall see that all orders, actions, and resolutions of the Managing Members are carried out. The CEO will be responsible for the executive management of the PDA, and shall report directly to the Managing Members acting in their governing capacity. The CEO has the authority to establish the reporting structure within the PDA and to take such actions, subject to the Charter, as are in accordance with this Delegation of Authority Master Policy, and shall have such other authority and shall perform such other duties as set forth in the Charter or this Delegation of Authority Master Policy, or, to the extent consistent with the Charter, such other authorities and duties as prescribed by the Managing Members.

i. **Article 9. 3(a) and (b). Dissolution/Termination.**

- i. Upon dissolution, the CEO is authorized to recommend and present to the Managing Members for approval, the distribution of assets as is required by PDA Charter Article 9.3(a) and the payment of liabilities and maintain such reserves for contingencies as is required by PDA Charter Article 9.3(b).

4. DEFINITIONS

a. **Alliance**

Refers to (i) The Interlocal Agreement between POS and POT exercised pursuant to the port joint powers statute (RCW 53.08.240) which expressly permits joint management, operation and investment outside of a port's district, and pursuant to RCW 39.34.030, the Interlocal Cooperation Act, expected to be effective from August 4, 2015 and (ii) the PDA beginning January 1, 2016.

b. **Annual Capital Investment Plan**

Means the five-year projection of capital and expense projects and associated expenditures which is developed and maintained as a planning tool for Alliance capital investment and which is reviewed by the Managing Members annually as part of a plan of finance and budget review process, or as subsequently amended by the Managing Members during the budget year.

c. **Approval**

A recommendation to move work forward for analysis and development of data and documents to support potential authorization. Approval does not denote authority to expend funds (see "Authorization" below).

d. **Authorization**

Authorizes spending, entering agreements, administrative actions, and real estate actions, and other items as outlined in this resolution. Authorization is given by the Managing Members to the CEO per the Delegation of Authority Master Policy. Authorization implies an action item in public session if the required level is beyond CEO delegation level per the Delegation of Authority Master Policy.

e. **Chief Executive Officer (CEO)**

The person hired by the Managing Members to manage and oversee day-to-day operations of the Alliance.

f. **Claim**

"Claim" means the assertion of any position, right or responsibility by or against the Alliance, excluding "uncollectible accounts" and any claims asserted by or against the Alliance that have or may reasonably become the subject of litigation.

g. **Emergency**

Unforeseen circumstances beyond the control of the Alliance that either presents a real, immediate threat to the proper performance of essential functions; or may result in a material loss or damage to property, bodily injury, or loss of life if immediate action is not taken. (see RCWs 39.04.020, 39.04.280 and 53.19.010(04)). Emergencies allow for the waiver of state procurement requirements.

h. **Goods and Services**

Means natural resources; equipment; materials; supplies; or other finished goods or products, utilities and utilities-related services (including services provided by public agencies); maintenance; security; and other miscellaneous services.

i. **Homeport**

For the purposes of this Delegation of Authority Master Policy “Homeport,” when used in connection with specific Alliance assets, means the port where the asset is located.

j. **Indefinite Delivery Indefinite Quantity Contract**

Indefinite delivery, indefinite quantity contracts (“IDIQ”) provide for an indefinite quantity of services for a fixed time. They are used when the precise quantities of supplies or services required during the contract period cannot be determined.

k. **Interlocal Agreement**

A binding agreement between the Alliance and other local governmental agencies, including the Managing Members, that allows for the provision of services or facilities between those agencies.

l. **Managing Members**

The Ports of Seattle and Tacoma, acting through their own elected commissioners.

m. **Normal Alliance Operations**

Administration of day-to-day Alliance operations which may include personnel administration, task and project assignments, hiring, firing, discipline, and training.

n. **Normal Operating Expense**

Means the Alliance budgeted operating and non-operating revenues and expenses reviewed, approved, and authorized by the Managing Members as part of the budget process, or as subsequently amended by the Managing Members during the budget year.

o. **Personal Services**

Personal services are generally professional or technical expertise that are necessary to accomplish a specific study, project, task or other work statement, which may not reasonably be required in connection with a public works project meeting the definition of RCW 39.04.010(4). Personal services do not include purchased services as defined in RCW 53.19.010(8) or professional services procured using the competitive selection requirements in Chapter 39.80 RCW (A&E).

p. **Project**

- i. For the purposes of this Delegation of Authority Master Policy, a “Project” creates or modifies a capital asset or creates a cost outside of Normal Operating Expenses. A Project may be classified as a capital or expense.
 1. Public Works Projects – As defined in RCW 39.04.010, public work projects include construction, alteration, repair or improvement other than ordinary maintenance executed at the cost of the Port. Work associated with public work projects includes planning, scoping, engineering, design, permitting, construction and contract solicitation and administration.
 2. Non Public Works Projects – Generally includes defined work that the CEO has determined will be managed as a Project. Projects do not, however, include regular, recurring or routine work associated with normal Alliance operations. This category also includes projects by the information and technology departments that may require a major upgrade or replacement of an information or communication hardware or software system.
 3. Environmental Projects – Include pollution investigations, cleanups, and habitat restoration. Environmental projects may also involve regulatory direction, oversight, and agreements, extended periods of investigation and study prior to construction, and continuing monitoring and maintenance after clean-up and construction. As these projects usually produce no assets, costs are expense rather than capital.

q. **Professional Services**

Means (a) those services within scope of RCW 39.80.020(5) or (b) professional or technical expertise provided by a consultant to accomplish a specific study, project, task, or other work statement which is reasonably required in connection with public works projects.

r. **Public Work**

Means construction, alteration, repair and improvement other than ordinary maintenance meeting the definition of RCW 39.04.010.

s. **Service Agreements**

An agreement, such as an interlocal agreement between the Alliance and Managing Members or between Managing Members that allows for the provision of services related to normal Alliance or port operations or projects.

5. GENERAL PROVISIONS

Regardless of the provisions and delegations contained in this Resolution, the CEO shall bring forward to the Managing Members for consultation or approval any action of a sensitive nature as identified by the Managing Members or the CEO.

The CEO shall provide financial analysis for real estate transactions and planned investments to Alliance managed properties.

6. PLANNING AND BUDGET IMPLEMENTATION

a. **Long-Range Business Plans**

- i. The Managing Member-approved Strategic Business Plan shall be the basis for the development of all Alliance programs, Projects, initiatives, and the Capital Investment Plan, Annual Operating Budgets, and Plan of Finance, collectively known as Annual Plans.
- ii. The CEO will develop Annual Plans for consideration and approval.
- iii. This Delegation of Authority Master Policy shall be reviewed annually by the Managing Members.

b. **Administering Normal Alliance (Day-to-Day) Operations**

- i. In administering day-to-day Alliance operations, the CEO may reallocate amounts within and otherwise incur variances from the annually approved Operating Budget so long as such reallocations are consistent with the Managing Members' established policies and delegated authorities.

c. **Funding of Projects**

- i. When seeking the Managing Members' authorization for any Project, the CEO shall clearly indicate whether such Project was within the Annual Plans and, if not, how it is to be funded.

7. **POLICIES GOVERNING REAL PROPERTY**

The CEO is authorized to take all necessary actions in connection with agreements or transactions for use of all real property owned by the Ports and managed by the Alliance as designated herein. The Managing Members delegation of authority to the CEO extends to all types of transactions and agreements including acquisitions, divestitures, rental agreements, leases, operating agreements, easements, franchises, permits, rights of entry and other user agreements as provided herein. Except where otherwise provided in this Delegation of Authority Master Policy, all real property transactions will be subject to an appropriate written agreement authorized by the Managing Members and executed by the CEO.

a. **General Provisions for Real Property and Non-Real Property Agreements**

- i. The CEO is delegated the authority to:
 1. Enter into operating agreements, including vessel service agreements, with a value up to and not exceeding \$300,000 annually;
 2. Enter into amendments to existing real property agreements previously authorized by the Managing Members, valued up to and not exceeding \$300,000 annually;
 3. Accept a bond, secure CD or other rental security for real property agreements in compliance with RCW 53.08.085 and Alliance policy. Other acceptable rental security may be cash or cash equivalent such as Letter of Credit, Lease Bond, or other prior approved rental security instruments in a form approved by Alliance General Counsel.
 4. Sign, on behalf of the Managing Members all harbor area and waterway leases between the Alliance and other public entities that have been authorized by the Managing Members.
5. The CEO is authorized to take all necessary actions on behalf of the Alliance and its officers in connection with lease surety bonds, lease surety, rental insurance, or other insurance coverage required pursuant to any leases of the Alliance.

b. Rental/Leasing Agreements

- i. The CEO is authorized to enter into month-to-month real property rental/lease agreements. These agreements shall require a minimum security deposit of three months rental (plus leasehold tax amounts) to be posted in advance of the occupancy, and to be held by the Alliance as a rental security for the full duration of a month-to-month occupancy and to insure compliance with the terms of the lease agreement. Adjustments or modifications which decrease the minimum required rental deposit will require Managing Member authorization.
- ii. The CEO is authorized to approve real property rental/leasing agreements with a term up to one year when the associated expenditures of the Alliance are also less than \$300,000. The intended use of rented/leased real property must be expressly stated in writing.
- iii. Managing Members authorization is required for real property rental/leasing agreements with a term greater than one year. The intended use of rented/leased real property must be expressly stated in writing.
- iv. Where the Commission has approved a real property rental/leasing agreement with a term greater than one year, and which contains one or more options to extend the lease term, the CEO is authorized to exercise that option.
- v. All rental/lease rates shall be based upon market rates established for the specific use under consideration and the condition of such facility.
- vi. Summaries of new rental agreements shall be reported quarterly to the Managing Members by the CEO.
- vii. All real property rental/leasing agreements one year or greater shall require a minimum security deposit equal to twelve months rent (including leasehold tax amounts) to be posted in advance of occupancy, and held by the Alliance as rental security for the full duration of the term occupancy and to insure compliance with all terms and conditions of the lease agreement and in accordance with RCW 53.08.085. Adjustments or modifications which decrease the minimum required rental deposit will require Managing Members authorization.
- viii. Payment of Real Estate Commissions.
 1. The CEO is authorized to retain licensed real estate brokers for the purpose of marketing for lease of Alliance controlled properties.

2. Commissions may be paid to licensed real estate brokers that actually initiate bona fide leases for the Alliance upon satisfactory proof being submitted to the Alliance that the broker actually initiated and completed the lease transaction for which they claim commission. In addition thereto, the broker shall file with the Alliance within ten days from broker's appointment as their client's agent for the purpose of aiding in the leasing of the real property a statement under oath that the broker actually initiated the bona fide transaction together with the name of the broker's client and the date of their first contact with said client. Unless this provision is strictly complied with, the Alliance will not pay a claimed commission.
3. For properties the Alliance "exclusively lists" with brokers to lease, a commission based on market rates that consider transactions of similar size, but no more than five percent (5%) shall be paid of the net rental to the Alliance for up to five (5) years of the approved lease agreement. For approved leases initiated and completed by licensed brokers in compliance with this Master Delegation Policy a maximum of up to three percent (3%) commission shall be paid for properties not exclusively listed for lease with a broker. Net rent shall mean rent net to the Alliance with Lessee paying taxes, utilities, maintenance and insurance. Costs for Alliance paid tenant improvements, utilities, and other services specific to the lease will be subtracted from the net rent amount for calculations of commissions paid.
4. Commissions shall not be paid on leases involving existing tenants for new leases, expansions, new space rentals, renewals or options exercised or repayment to the Alliance for tenant improvements made by the Alliance on behalf of the Tenant, payments made to the Alliance from security deposits, or any escalation of the net rent.
5. Commissions shall be paid as the net rents are collected by the Alliance.

c. Alliance Grants of Covenants and Easements

- i. Easements, Licenses, Access Permits or Other Rights of Entry
 1. The CEO is authorized to enter into agreements for easements and covenants up to one year in duration where the impairment does not substantially interfere with the Alliance's intended use or reasonably future intended use. "Substantially interfere" shall mean when Fair Market value is not reduced more than \$300,000 in any one year. The form of any easement and or covenant shall be approved by Alliance or Homeport legal counsel.

- ii. **Easements – Port Owned Property**
 - 1. Easements and covenant agreements beyond one year shall require respective Home Port Commission authorization. Routine utility easements required to provide service to Port-owned real property shall not require Managing Members or respective Homeport Commission approvals.
 - d. **Easements for the Alliance Use of the Property of Others**
 - i. The CEO is authorized to enter into easements for the Alliance use of the real property owned by others for agreements up to one year and the Alliance paid cost for the use is less than \$300,000 annually.
 - ii. Real property easements, excluding utility easements for Alliance use that are greater than one year require the authorization of the Managing Members.
 - e. **Agreements (Other than Easements) for the Alliance Use of Real Property Owned by Others**
 - i. The CEO is authorized to enter into agreements for the use of real property owned by others if the term of the use is one year or less and the Alliance paid cost for the use is less than \$300,000 annually.
8. **POLICIES GOVERNING AUTHORIZATION FOR PROJECTS, CONTRACTING, PROCUREMENT AND EMERGENCIES**
- a. **Interlocal Agreements**
 - i. The Managing Members' authorization is required for Interlocal Agreements with other public agencies. Interlocal Agreements shall comply with the requirements of RCW 39.34 except that the CEO is authorized to approve and authorize all Interlocal Agreements (Service Agreements) between the Alliance and the Homeport(s).
 - ii. The CEO is authorized to enter into non-binding agreements with other governmental agencies and non-governmental entities in situations where the agreement does not create any financial obligation for the Alliance, any binding contractual obligation, or impair any Alliance or Port-owned assets, and have been reviewed by Alliance Legal Counsel.
 - b. **Public Works Projects**
 - i. Actions authorized by the Managing Members or delegated to the CEO by this Delegation of Authority Master Policy may be executed either directly with Alliance staff, by contract with vendors, or by agreement through either Homeport subject to the requirements contained in this Delegation of Authority Master Policy.

- ii. Authorization for Preliminary Project Work. Preliminary work includes such activities as review of project feasibility, development of Project definition, design, geotechnical investigations, regulated material assessment, environmental assessment, environmental permitting, or market analysis and is inclusive of all costs related to the work. The CEO may authorize preliminary work in-house or by contract without prior Managing Members approval, so long as the cumulative cost for all such Project work does not exceed \$300,000.
- iii. The CEO may authorize Projects where the estimated Project cost, inclusive of all costs related to the work, does not exceed \$300,000.
- iv. For all Projects where the estimated total Project cost exceeds \$300,000 Managing Members' authorization is required.
 - 1. Presentations to the Alliance which request Managing Members' authorizations will disclose Project spending previously authorized by the CEO and spending previously authorized by the Managing Members.
 - 2. Depending on the overall estimated Project costs and complexity the CEO may request authorization at key stages in the Project (i.e., design, execution of work, remediation, etc.).
 - 3. Projects shall not be broken into units or accomplished in phases to avoid Managing Members' authorization.
 - 4. Where personal, professional, or purchased goods and services are part of a Project, authorization of expenditures will be managed as part of the Project authorization and additional authorization is not required.
 - 5. Public works contracts not part of a Project and not a part of Normal Alliance Operating Expenses are subject to the same authorization process as Projects.
- v. Authorization for Alternative Public Works Contracting Procedures. Managing Member authorization is required to perform public work under procedures alternative to design-bid-build, as defined in RCW 39.10, for design-build and general contractor/construction manager. For such contracts, staff will propose for Managing Members' approval a sequence of authorization steps.
- vi. IDIQ contracts for Public Works and job order contracts (authorized in RCW 39.10) may be approved by the CEO and all work falling under the IDIQ contract is to be authorized per this Delegation of Authority Master Policy as a Project subject to the limits set-forth.
- vii. Project Changes. Projects that have been authorized by the Managing Members and have a change in the scope, schedule or cost require the following actions:

1. Managing Member's authorization will be required if a material scope change occurs in the Project. For purposes of this event, material is defined as any scope change with major financial, community or business impacts, and is additionally defined as any scope change (increase or decrease) that exceeds \$300,000.
 2. The Managing Members will be notified if a Project schedule delay has an anticipated financial impact on a customer or other affected stakeholders.
 3. Managing Members will be notified and authorization at the next available public meeting is required as soon as it is determined that the project cannot be completed for the previously authorized amount.
- c. **Non-Public Works Projects**
- i. The CEO may authorize spending only to the same limits as outlined above in the Public Works Project section of this Master Delegation Policy.
 - ii. On-going environmental stewardship, monitoring, and compliance activities, where the costs have been authorized as Normal Operating Expense through the budgeting process do not require an independent Project authorization.
- d. **State and Federal Environmental Remediation Agreements**
- i. Environmental Remediation Liability Projects
 1. For environmental projects the CEO may authorize spending only to the same limits as outlined above in the Public Works section of this Delegation of Authority Master Policy.
 2. For environmental projects with a total estimated cost that exceeds \$300,000. Staff will seek project-specific Managing Members authorization as soon as the cost for an environmental project is anticipated to exceed \$300,000.
 - a. An estimate or range of estimated costs for the overall future environmental remediation associated with the agreement and future anticipated agreements will be reviewed at the time of the request for authorization.
- e. **Project and Contract Reporting**
- i. The CEO shall report quarterly to the Managing Members for all projects authorized by the Managing Members. The report shall include project schedule, current estimate, authorized amount, cost to date, summary of any changes to scope, and any other significant developments with respect to the Project. Selected environmental Projects that have moved into long-term (5 years plus) monitoring (or maintenance) programs shall be exempt from Project reporting.

- ii. The CEO shall report quarterly to the Managing Members all project and contract authorizations equal to or greater than \$50,000 authorized through the delegated authority contained in this resolution. The report shall include the type of authorization, a brief description of the authorization, the amount of the authorization, and if a contract for goods, services or public works the name of the vendor.
 - iii. At the Managing Members direction the CEO shall report on any project of a sensitive or critical nature.
- f. **Professional Services Contracts**
- i. The CEO is authorized to execute Professional Services Contracts associated with normal Alliance operations and non-Project work not associated with normal Alliance operations up to \$300,000.
 - ii. Where professional service contracts are formally approved by the Managing Members, increases in the approved contract amount may be authorized by the CEO without prior authorization of the Managing Members for cumulative amounts not to exceed \$300,000 or 20% of the contract value, whichever is less.
 - iii. IDIQ contracts for professional services may be authorized by the CEO and all work falling under the IDIQ contract is to be authorized per this Delegation of Authority Master Policy as a Project or contract subject to the limits set-forth.
- g. **Personal Services Contracts**
- i. The CEO may authorize personal services contracts associated with normal Alliance operations and non-Project work not associated with normal Alliance operations up to \$300,000.
 - 1. Where personal service contracts are formally approved by the Managing Members, increases in the approved contract amount may be authorized by the CEO without prior authorization of the Managing Members for cumulative amounts not to exceed \$300,000 or 20% of the contract value, whichever is less. Substantial changes in contract scope or substantial additions to the scope specified in the formal solicitation documents shall be authorized by the Managing Members. The Managing Members shall determine whether the scope change warrants the work to be awarded as a new contract.
 - ii. When an amendment to a Personal Services Contracts, individually or cumulatively will exceed 50% of the original amount, then the amendment must be filed with the Managing Members and made available for public inspection prior to the proposed starting date of services under the amendments per RCW 53.19.060.

- iii. All personal service contracts will be entered into pursuant to competitive solicitation as required by law, except for:
 - 1. Emergency contracts in compliance with section 8.k.i.below.
 - 2. Sole source contracts; provided however, that sole source service contracts, regardless of the amount, shall be filed with the Managing Members for three days and made available to the public prior to starting the work per RCW 53.19.040.
 - 3. Any other specific contract or classes as exempted by RCW 53.19.070 as it now exists or may be in the future amended, and which currently exempts the following:
 - a. Contracts specifying a fee of less than fifty thousand dollars;
 - b. Contracts awarded to companies that furnish a service where the tariff is established by the utilities and transportation commission or other public entity;
 - c. Intergovernmental agreements awarded to any governmental entity, whether federal, state, or local and any department, division, or subdivision thereof;
 - d. Contracts awarded for services to be performed for a standard fee, when the standard fee is established by the contracting agency or any other governmental entity and a like contract is available to all qualified applicants;
 - e. Contracts for services that are necessary to the conduct of collaborative research if prior approval is granted by the funding source;
 - f. Contracts for professional services which are entered into under chapter [39.80](#) RCW; and
 - g. Contracts for the employment of expert witnesses for the purposes of litigation or legal services to supplement the expertise of Alliance staff.
 - 4. Other specific contracts or classes or groups of contracts exempted from the competitive solicitation process by the Managing Members when the Managing Members have determined that a competitive solicitation process is not appropriate or cost effective per RCW 53.19.020.

h. Purchased Goods and Services

- i. The CEO is authorized to purchase goods and services associated with normal Alliance operations and for work not associated with Normal Alliance operations up to \$300,000.

- ii. The CEO may authorize sole source contracts; provided however, that sole source contracts, regardless of the amount, shall be filed with the Managing Members for three days and made available to the public prior to starting the work
 - iii. Where the purchase is formally authorized by the Managing Members, increases may be authorized by the CEO for cumulative amounts not to exceed \$300,000 or 20% of the contract value, whichever is less.
- i. **Contracting Authority for Entering Agreements with Utilities and Annual Software Fees and Licenses**
- i. The CEO is authorized to enter into contracts with utility providers in order to establish connections, conduct repair or maintenance and to purchase utility services as needed.
 - ii. The CEO is authorized to enter into contracts with providers for annual software fees and licenses as needed.
- j. **Authorization for Emergency Work**
- i. When any Emergency requires immediate response, the CEO is authorized to make a finding of the existence of such Emergency and commit Alliance resources, waive competition and execute contracts necessary to respond to the existing Emergency in accordance with RCW 39.04.020 and 39.04.280.
 - ii. The Managing Members shall be notified within 24 hours of the declaration and of the execution of any contracts.
 - iii. A request for the Managing Members to ratify any contracts executed during an Emergency shall be presented at the next scheduled public meeting following the award of the contract.
 - iv. The CEO shall comply with any legal requirements related to any contracts or agreements issued under the declaration of the Emergency.

9. POLICIES GOVERNING FINANCIAL ACTIVITIES

The CEO is authorized to oversee the financial matters for the Alliance in accordance with applicable laws and subject to Managing Members' delegations in this section.

a. **Management of Alliance Funds**

- i. The CEO may designate one or more Deputy Treasurer(s) per RCW 53.36.010 without Managing Members' action. The Treasurer is accountable for all financial transactions executed by Deputy Treasurer(s).

- ii. The Alliance Treasurer and Deputy Treasurer(s) are authorized to oversee the investment of Alliance funds in accordance with applicable law relating to the type of investments authorized per RCW 39.59, RCW 43.84.080, and referenced RCW's within, including sale of such investments and necessary inter-fund transfers.
 - iii. The Alliance Treasurer is authorized to oversee the management of the Alliance's cash reserves. Minimum cash reserve has been established as six months direct operating expenses and any reserves required by agreements.
- b. Alliance Expenditures for Travel, Hosting, and Memberships**
- i. Travel Expenditures for Employees and Other Authorized Representatives of the Alliance.
 - 1. Pursuant to RCW 53.08.176, the CEO is authorized to establish Alliance policies and procedures to regulate and audit travel expense and reimbursement.
 - 2. The CEO may authorize travel and other reimbursable expenses, excluding Managing Members, incurred on behalf of the Alliance.
 - 3. Managing Member international travel, when representing the Alliance, requires prior authorization the Managing Members.
 - 4. The Alliance's Auditor will be responsible for ensuring the full compliance with applicable statutes, regulations and Alliance policies and procedures governing expense reimbursement by employees, Managing Members and representatives of the Alliance.
 - ii. Expenditures for Trade Promotion and Promotional Hosting
 - 1. The CEO will report proposed expenditures covering trade promotion and promotional hosting as provided in RCW 53.36.120 to Managing Members as part of the annual budget adoption. Expenditures proposed for promotional hosting shall be limited as provided in RCW 53.36.130.
 - 2. Alliance officials and agents holding positions responsible for trade promotion are authorized to make expenditures for promotional hosting of all appropriate Alliance activities subject to all of the provisions of this master delegation policy. Managing Member hosting, for Alliance related trade promotions, requires prior authorization by the Managing Members.

- iii. The CEO may authorize membership in port authority, economic development, regional trade, tourism, industrial associations, facility, trade promotions organizations, and professional organizations up to \$10,000 per organization or individual membership. Managing Members' authorization is required for membership greater than \$10,000. Memberships greater than \$10,000 shall be included in Normal Operating Expense as part of the annual budget process.

c. Managing Uncollectable Accounts

- i. The CEO is authorized to establish policies and procedures for the write off of any uncollectible accounts.
- ii. Prior to writing off any account receivable the CEO shall be satisfied that every reasonable effort has been made by the Alliance to accomplish the collection of the account.
- iii. If appropriate, the CEO shall authorize the Alliance's attorney to bring action in courts of law or, if more appropriate in the case of small amounts, to assign the same to collection agencies for the purpose of attempting to finally collect such accounts.
- iv. If after attempting all normal account collection procedures the account is still uncollectible after 180 days or more, the CEO is delegated the authority to provide for the writing off of such account.
- v. Any account in excess of \$50,000 which is deemed to be uncollectible shall be reported to the Managing Members.

d. Acceptance of Grant Funding

- i. The CEO is authorized to apply for grant funds for the Alliance.
- ii. The CEO is authorized to accept grants where the grant award obligates the Alliance to provide a cash match of no more than \$150,000.
- iii. In cases where the grant award obligates or has the potential to obligate the Alliance to provide a cash match greater than \$150,000, Managing Members' authorization is required prior to grant acceptance.
- iv. The CEO is authorized to accept and manage any grant funding that is secured for projects that have previously been authorized by the Managing Members.

e. **Insurance Programs**

- i. The CEO shall be authorized to work with the Alliance's designated insurance broker(s) to negotiate and obtain appropriate policies of insurance to manage the Alliance's property and casualty risks, provide employee benefits, and other coverage appropriately included within a comprehensive insurance program. All related contracts shall be authorized consistent with the delegations included in this resolution.

f. **Sale of Personal Property**

- i. The CEO is authorized, pursuant to the RCW 53.08.090, to sell and convey surplus personal property of the Alliance subject to the following conditions:
 1. When the net book value of such personal property does not exceed \$18,102 (adjusted annually), the CEO will itemize the property to be sold and will certify that such property is no longer needed for Alliance purposes.
 2. Managing Members approval is required when the net book value of such personal property exceeds eighteen thousand one hundred two dollars (\$18,102). The CEO will itemize the property to be sold and will certify that such property is no longer needed for Alliance purposes and seek Managing Members' authorization.
 3. Personal property can be disposed of through competitive bids by publicly advertising the sale, contract for a licensed auctioneer to publicly auction property, or consign property to a licensed auction or consignment service for public sale.
 4. No large block or lot of personal property having a net book value in excess of eighteen thousand one hundred two dollars (\$18,102) will be broken into components of lesser value. These items can be sold individually by public competitive bid after Managing Members' authorization is obtained.
 5. The sale of surplus personal property to Alliance or Homeport officials or employees will be restricted to public auctions, or consignment for bid, where the process is managed by a third party vendor and all interested parties have equal opportunity in the bidding process.

g. **Payment of Statutory Expenditures**

- i. The CEO may authorize statutory expenditures incurred during normal business operations. Types of expenditures include, but are not limited to, excise, payroll and leasehold taxes, and State Auditor's audit(s).

10. LEGAL SERVICES, CLAIMS AND OTHER REPRESENTATION

a. **Litigation Policy and Procedures**

- i. The CEO shall be responsible for the Alliance policies and procedures necessary to oversee all legal services and litigation, in which the Alliance has an interest, direct or indirect. For purposes of this section, "litigation" shall mean the assertion of any position, right or responsibility by or against the Alliance which may reasonably lead to or has been filed in any court of general jurisdiction, be it state or federal, or any quasi-judicial or administrative forum.

b. **Retaining Independent Counsel/Experts/Investigators**

- i. The CEO may engage legal representation for the Alliance and such experts, investigators and/or independent counsel as may be necessary to the orderly preparation of potential and/or actual litigation in which the Alliance has a direct or indirect interest, without limitations otherwise prescribed in section 8 (Personal Services) of this Delegation of Authority Master Policy.

c. **Settlement of Claims**

- i. The CEO is delegated the authority to oversee Alliance policies and procedures for adjusting the final settlement of all claims either against or on behalf of the Alliance.
- ii. Any claim arising from normal Alliance operations and not exceeding \$150,000 for a single claim may be adjusted and settled by the CEO.
- iii. The Alliances' attorney shall be consulted prior to settlement of any claim in excess of \$50,000.
- iv. Claims exceeding \$50,000 shall be reported to the Managing Members upon receipt.
- v. Nothing herein contained shall preclude administrative approval of settlements made by the Alliances' insurers of claims by or against the Alliance, where such settlement is payable by such insurer.

11. ISSUANCE OF TARIFFS

The CEO is authorized to request the Homeports to issue tariffs and tariff amendments as necessary, provided the Managing Members will be provided notice of adjustments prior to implementation.

12. POLICIES AND PROCEDURES

The CEO is authorized to adopt any administrative policies and procedures necessary to implement the delegations contained in this Resolution.

13. ACTIONS PREVIOUSLY APPROVED BY THE COMMISSIONERS AND EXECUTIVES OF THE PORTS OF TACOMA AND SEATTLE

Actions related to property controlled by the Alliance or Alliance business that were previously approved by either Homeport and their respective Executives acting under the authority of the Port of Seattle's Resolution No. 3605, as amended, and the Port of Tacoma's Resolution 2014-05, or earlier versions of these resolutions, are exempt from the provisions of this Resolution and may be completed in accordance with the Resolutions and delegations that were in place when the actions were approved. Future actions on these previously authorized items will be completed in accordance with this resolution.

14. NON-DISCRIMINATION AND EQUAL OPPORTUNITY

It is the basic policy of the Alliance to provide equal opportunity to the users of all Alliance services and facilities and all contracting entities. Specifically, the Alliance will not tolerate discrimination against persons on grounds of age, race, color, national origin/ancestry, ethnicity, religion, disability, Family Medical Leave Act use, pregnancy, sex/gender, sexual orientation, whistleblower status, marital status, workers' compensation use, transgender status, political beliefs, or any other protected status, as guaranteed by local, state and federal laws. The equal opportunity principles described in this policy shall apply to the Alliances' employees, customers, consultants, contractors, and vendors to the extent possible and as required by law. This policy is to be implemented by the CEO as specifically set forth in Alliance policies, equal employment opportunity and small business, women, minority and disadvantaged business participation in Alliance contracts.
