

# Delivering Mobile Solutions

## About Us

Founded in 2013, AsterMinds is a technology company located in Seattle Metro. AsterMinds' has been recognized by the Entrepreneur Magazine as one of the Top 100 Brilliant Companies to watch in 2015 for its asterRIDE Mobile Platform and by the National Business Journal as one of the top 15 start-ups among other awards. Our solutions come in the form of mobile technology and analytics focused on the ground transportation industry.

## Fleet Management

Our unique Fleet Management solution\* helps airports like SeaTac International manage its taxi and livery services.

- Minimizes congestion
- Enhances passenger's ground travel experience
- Reduces annual oversight cost & increases efficiency
- Provides insightful analytics for monitoring traffic

\* In development
