Commissioners, Port of Seattle

(Hand-delivered at the November 10 Commission meeting, to be placed on the record)

Subject: Expansion of Lease Premises of Seaview Boatyard West; Item 6a on today's Commission Special Meeting Revised Agenda

Dear Port Commissioners:

We live aboard our boat at Shilshole Bay Marina, on F dock. We have lived aboard at Shilshole for about 6 years. We use Seaview Boatyard to perform work on our boat from time to time.

We own a condominium unit at Sunset West Condominiums, Unit 208A. We purchased the unit in early 2013. Sunset West is the property immediately to the south of the Seaview Boatyard.

We are familiar with the proposed Seaview Boatyard expansion and support the expansion.

Sincerely,

Parker and Carol Taylor Cann
