

EQUALITY AT THE AIRPORT NOW!

We are the airline catering employees at Sky Chefs and Gate Gourmet who prepare food for Delta, Alaska and other airline passengers at Sea-Tac Airport. The airline industry has experienced **years of record profits**, but the **people who feed airline passengers have been left behind**. And while job quality at our airport has risen in recent years, airline catering workers have been left out of SeaTac wage standards. We work hard to safely provide quality meals for Sea-Tac Airport passengers.

We deserve EQUALITY with other Sea-Tac Airport workers.

We deserve THE SAME minimum wage that other employers at Sea-Tac Airport are required to pay.

The airline industry has experienced **years of record profits**, but the **people who feed airline passengers have been left behind**. And while job quality at our airport has risen in recent years, airline catering workers have been left out of SeaTac wage standards. We work hard to safely provide quality meals for Sea-Tac Airport passengers.

We deserve EQUALITY with other Sea-Tac Airport workers.

We deserve THE SAME minimum wage that other employers at Sea-Tac Airport are required to pay.

EQUALITY AT THE AIRPORT NOW!

We are the **airline catering employees** at Sky Chefs and Gate Gourmet who prepare food for Delta, Alaska and other airline passengers at Sea-Tac Airport. The airline industry has experienced **years of record profits**, but the **people who feed airline passengers have been left behind**. And while job quality at our airport has risen in recent years, airline catering workers have been left out of SeaTac wage standards. We work hard to safely provide quality meals for Sea-Tac Airport passengers.

We deserve EQUALITY with other Sea-Tac Airport workers.

We deserve THE SAME minimum wage that other employers at Sea-Tac Airport are required to pay.

EQUALITY AT THE AIRPORT NOW!

We are the **airline catering employees** at Sky Chefs and Gate Gourmet who prepare food for Delta, Alaska and other airline passengers at Sea-Tac Airport. The airline industry has experienced **years of record profits**, but the **people who feed airline passengers have been left behind**. And while job quality at our airport has risen in recent years, airline catering workers have been left out of SeaTac wage standards. We work hard to safely provide quality meals for Sea-Tac Airport passengers.

We deserve EQUALITY with other Sea-Tac Airport workers.

We deserve THE SAME minimum wage that other employers at Sea-Tac Airport are required to pay.
