Port Commission Members,

My name is Roger Seeman. I've lived in Magnolia for the past 50 years.

As a member of the Magnolia United Church of Christ, my wife and I have helped provide meals to residents of the Interbay Village (aka Tiny Cabins).

We have seen what a tremendous difference this small village has made to the lives of homeless people fortunate enough to qualify for residence there.

We are grateful to the Port of Seattle for making this important service available, and strongly encourage the commission members to extend the lease of the land for the Interbay Village.

Thank you.

Roger & Marlys Seeman
