Good day,

I am the general manager for Kami Tech Inc., a tenant of the Port of Seattle's Pier 90 facility. It has come to my attention there will be a meeting today and one of the subjects brought up will be how to respond to your tenants struggling with declining business due to the Covid-19 outbreak. This virus has put a temporary halt to a good portion of our business and any consideration POS can give us with rent assistance or rent deferment would be appreciated.

Best Regards,
Tom Kay
