Hello – I would like to submit the following testimony for today’s meeting – I am unable to attend and would appreciate if someone (perhaps a moderator) can read my testimony.

Hello Commissioners,

My name is Kathy Casey – I am a steward with the SBAAC, and an owner of Lucky Louie Fish Shack as well as a licensee to HMS Host with Rel’Lish Burger Lounge and Dish D’lish.

It is critical now that we receive business relief – the need is now dire. We are asking for the extension of the current terms through Q1. Nat Stratton Clarke is/will be presenting the SBAAC follow up letter, from our first request on September 22nd. It is imperative that decisions be made quickly now as our businesses, employees and their families are counting on this relief. The shutdown is government mandated – and affects all our businesses at Sea-Tac airport. We need your support to move this request forward quickly.

Thank you, Kathy Casey

Best wishes,
Kathy Casey
