

**COMMISSION  
AGENDA MEMORANDUM**

**Item No.** 8f

**ACTION ITEM**

**Date of Meeting** March 22, 2022

**DATE :** March 4, 2022

**TO:** Stephen P. Metruck, Executive Director

**FROM:** Luis Navarro, Director of Workforce Development

**SUBJECT: Interlocal Agreement with Highline Public Schools, Maritime High School**

**Amount of this request:** \$250,000

**Total estimated project cost:** \$250,000

**ACTION REQUESTED**

Request Commission authorization for the Executive Director to sign an Interlocal Agreement (ILA) with Highline Public Schools, Maritime High School, in the form attached, to support the work of instructional design plans demonstrating a maritime-focused curriculum. The ILA will facilitate the transfer of Port of Seattle funds to Highline Public Schools, as authorized in the 2022 budget.

**EXECUTIVE SUMMARY**

The Maritime High School (“MHS”) is a new high school that launched in the Fall of 2021. The school is located in South King County and operated by the Highline Public Schools District (“HSD”). MHS includes curricula focused on Port-related industries, including maritime and green jobs; and it is designed to expose students to the educational and employment opportunities provided by the region’s robust maritime industry, and to develop and sustain a workforce that mirrors the diversity of the residents of South King County.

The HSD District provides partnership and support for King County students through the efforts of the MHS and provides project-based learning opportunities with an emphasis on port-related industries. Per the ILA, funds from the Port will support the work of instructional design plans demonstrating a maritime-focused curriculum. The HSD will provide the following:

- Progress reports in June and December 2022
- A final report with a five-year plan to grow and sustain the Maritime HS
- Key goals and milestones
- How the program will leverage partnerships with funders and maritime employers
- Plans to sustain equity, diversity and inclusion
- Fundraising plans and strategies including sponsorships, grants, etc.

March 22, 2022

**JUSTIFICATION**

The Executive Director included \$250,000 in the Commission authorized 2022 budget to support the development and implementation of high school credit earning, project-based learning opportunities to be administered by HSD. The school is located in South King County and operated by HPS and includes curricula focused on port-related industries, including maritime and green jobs. The allocated funding aligns with the Port's Workforce Development Policy Directive, in particular the youth career connected learning priorities, the Duwamish Valley Community Benefits Commitment Policy Directive and the Workforce Development Strategic Plan.

**DETAILS**

In September 2019, the Port of Seattle convened a Maritime Secondary Education Summit to discuss how to design educational programs that will foster student interest and passion for the maritime industry and ocean sciences, close workforce skill gaps and support environmental sustainability.

In early 2020, Seattle Public Schools, Highline Public Schools, Federal Way Public Schools and the Tukwila School District leaders convened to explore and identify the district that would serve as the leading educational entity for this project, with a clear and indisputable choice in Highline Public Schools.

This past fall, HSD took the next step in this project by establishing a taskforce of Highline staff to move the project forward, guided by a design team of industry partners and a broader advisory team to inform the work. HSD also assembled an Advisory Board representing industry, education, community and government stakeholders to provide ongoing project advisement. The school is temporarily located at the Olympic Interim site, 615 S. 200th St., Des Moines, WA 98198. The School District has also identified the Duwamish River Cleanup Coalition (DRCC) to serve as a community engagement liaison and provide invaluable insight and perspective into the diverse Duwamish Valley communities, contracted with Northwest Maritime Center (NWMC) to provide direction and guidance related to maritime education and critical fundraising support, selected Tremain Holloway as the founding principal, received enrollment applications from 41 interested freshmen students, and received unanimous approval from the Washington State Board of Education for a traditional credit waiver necessary to support a true project-based learning experience.

**The school is designed to:**

- Expose students to the educational and employment opportunities provided by the region's robust maritime industry.
- Develop and sustain a workforce that mirrors the diversity of the residents of South King County.
- Explore the region's extensive maritime history.
- Include a focus on environmental stewardship, with a recognition that clean waterways, such as the Duwamish River, are a necessary element of the maritime and green jobs industries.
- Build on the District's existing commitment to the industry and an expertise with the subject matter, as evidenced by the Marine Science Technology program at the Puget Sound Skills Center.

March 22, 2022

- Build on the Port's commitment to the Duwamish Valley through community collaboration and targeted outreach.
- Be open to students who reside within the District and students who live within the Puget Sound region, including communities adjacent to the Duwamish River, who are interested in the maritime and green jobs industries.

The HSD shall provide partnership and support for King County students through the efforts of the MHS and to provide project-based learning opportunities with an emphasis on port-related industries.

Funding from the Port will support the following:

### **Instructional Design**

Extensive work will take place to develop the overall academic program for Maritime High School. This work will encompass addressing all components necessary to graduate from high school, as well as incorporating maritime content throughout. The instructional design work will focus on the design of a series of integrated projects to strengthen the current 9<sup>th</sup> grade curriculum and develop the 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> grade curriculum and include the following:

- Alignment of meaningful and relevant projects to academic standards and specific competencies and standards related to maritime
- Development of culturally responsive assessments of student learning, including structures for sharing learning in multiple modalities
- Design of support structures for student success in accessing academic, including specific maritime-related learning
- Creation and curation of lessons, units and materials to support meaningful, real-world and engaging content to support learning across academic areas integrated with maritime content

### **Community Engagement**

Short and long-term strategies to engage community partners to support access to the school will be advanced. Activities will include the following:

- Innovative events to share information about the school, and solicit input for ongoing development of the overall program
- Social media presences to sustain ongoing interest in and support of the school
- Newsletter publication to share information with stakeholders to nurture and grow support of the school
- Meeting and networking with community groups supporting the school

### **Partnership Development**

In order to engage students in hands-on and relevant learning, relationships will be developed with partners to build and deepen learning experiences. Specifically, the following will take place:

- Implement plans for mentorship programming to connect students to industry and community professionals
- Increase opportunities for extended learning at industry and community sites aligned with standards and maritime competencies

March 22, 2022

- Sustain relationships to ensure high quality engagement of partners to inform ongoing development of academic programming to be informed by current and future needs in maritime sector employment

**Increase Visibility of Maritime Careers**

Develop communication protocols and partnerships that support regional awareness of maritime education and careers. Efforts will include the following:

- Include information on broader maritime education opportunities to students and stakeholders. students, teachers and families
- Amplify maritime educational opportunities offered by MHS industry partners

**Family and Student Engagement**

To ensure families and students are fully engaged with the continued development and operation of the school, extensive work will take place to ensure multiple opportunities to provide input on programming, as well as general events to ensure families are fully knowledgeable about the school program, and the full range of employment in the maritime sector. Specifically, the school will:

- Support a student structure to provide input on the overall design of the school, as well incorporating student interests into learning
- Provide multiple venues for families to provide input, including live meetings and asynchronous platforms for feedback
- Host events for families to connect with industry and community partners to learn about the full range of maritime careers

***Schedule***

<b>Deliverable</b>	<b>Milestone Payment</b>	<b>Schedule</b>
Instructional Plans demonstrating Maritime focus of curriculum.	\$100,000	June 15, 2022
Six Month Report to include student demographics, number of students outreached, recruited, trained, lessons learned, and any other tangible benefits of the program. (all reports disaggregated by race, gender, zip code).	\$50,000	June 15, 2022
Annual Report to include demographics, number of students outreached, recruited, trained, lessons learned, student testimonials, and any other tangible benefits of the program.	\$80,000	December 15, 2022
Develop a five-year plan to grow and sustain the Maritime HS. This plan should include, but not limited to: 1) key goals and milestones including how the program will leverage partnerships with funders and maritime employers; 2) plans to sustain equity, diversity and inclusion; 3) fundraising plans/strategies including sponsorships, grants, etc.	\$20,000	December 15, 2022
<b>Not to Exceed Total</b>	<b>\$250,000</b>	

**FINANCIAL IMPLICATIONS**

The total estimated services will not exceed \$250,000, from the tax levy, to be paid during the 2022 calendar year.

**ATTACHMENTS TO THIS REQUEST**

- (1) Interlocal Agreement for Partnership and Cooperation between Highline Public Schools and the Port of Seattle
- (2) Exhibit A, Deliverables and Payment
- (3) Presentation
