

Continuation of Interagency Agreements (IA) for Permitting Support between Port of Seattle (POS) and the U.S. Army Corps of Engineers (USACE)

May 24, 2022

Request

- Request Commission authorization for the Executive Director to retain existing agreement to expedite the evaluation of permits under the jurisdiction of the U.S. Army Corps of Engineers (USACE)
- Total of up to \$30,000 per year funded through future capital and expense projects – no funding is being requested

Background

- POS currently has a Memorandum of Agreement dated July 6, 2006 with the USACE – Agreement continues until terminated
- Improves/expedites reviews for port projects under USACE permit
- Increases knowledge of pending changes in regulations
- Streamlines early design and agency coordination
