The purpose of this Agreement is the promotion of harmonious relations between the Port and the Union; the establishment of equitable and peaceful procedures for the resolution of differences; and the establishment of rates of pay, hours of work, benefits, and other terms and conditions of employment.

ARTICLE 2 – UNION RECOGNITION

2.01 The Port recognizes the Union as the sole and exclusive bargaining agent for the classification of Police Non-Sworn Supervisors, which includes the job titles as set forth in Appendix A.

2.02 In accordance with RCW 41.56.037, the Union will be given thirty (30) minutes to meet with new employees of the bargaining unit within ninety (90) days of employment at a mutually agreeable time to discuss matters concerning the rights of employees, responsibilities of the Union, and services available to the membership. ARTICLE 3 – UNION MEMBERSHIP

3.01 The Port shall notify the Union as soon as possible of any deduction authorization received by the Port. Upon receiving notice from the Union, the Port agrees to deduct from the paycheck of each Union member or each non-member voluntary financial supporter covered by this Agreement who has voluntarily so authorized it, the initiation fee, and regular monthly dues, assessments or voluntary non-member financial supporter fee. Such authorization for deductions may be made in writing, electronically or through recorded voice. The Port shall transmit fees and dues to the Union once each month on behalf of the employees involved. If a deduction error is identified, the error will be addressed as soon as practicable.

If the Union receives such written notification, confirmation will promptly be sent to the Port by the Union when the terms of the employee's signed payroll deduction authorization form regarding cancellation have been met. The Port will make an effort to end the automatic dues deduction effective the first pay period but no later than the second pay period after receipt of the written cancellation notice.

3.04 The Union agrees to indemnify and save the Port harmless against any liability, which may arise by reasons of any action(s) taken by the Port to comply with the provisions of this Article. The Union agrees to refund to the Port any amounts paid to it in error upon presentation of proper evidence thereof.

 - (5) The employee should normally expect to provide a minimum of two (2) years of service to the Port upon completion of study towards a college degree. This is not a payback provision.

(h) As provided below in this paragraph, employees shall be eligible for participation in the Port of Seattle's Deferred Compensation Plan. Eligibility and participation of employees shall be subject to the terms and conditions of such plan including any plan amendments, revisions, or possible cancellation. It is further agreed that content of the plan itself, plan administration, and any determinations made under the plan shall not be subject to the Grievance Procedure or to any other provisions of this Collective Bargaining Agreement or to negotiation by the Union.

(i) Supplemental Pension. The Port agrees to contribute to the Pacific Coast Benefits Trust, on account of each of its employees who perform the work covered by this Agreement, for every hour for which compensation was paid as follows:

Effective January 1, 2008, in the amount of \$1.50 per hour.

Employees shall also be covered by the AD&D policy provided by the Port.

(l) Supplemental life insurance programs offered by the Port to salaried employees shall also be made available to employees covered by this Agreement.

(m) Paid Parental Leave. The Port shall continue to provide Paid Parental Leave to members of this bargaining unit. (n) COMMUTER BENEFITS

Employees in the bargaining unit shall be eligible for the following benefits:

The One Regional Card for All ("ORCA Card") Program:

The Port offers ORCA cards to eligible employees at a substantially reduced cost for transportation on multiple regional transit systems. Employees who

The availability of the ORCA program, annual cost, potential tax consequences for employees, and other provisions are subject to change based on guidelines provided by agencies with whom the Port contracts for the ORCA program benefits, IRS requirements, as well as the Port's discretion.

Ferry Reimbursement

Employees who use the Washington State Ferry System for all or part of their work commute are eligible for reimbursement of ferry commuting costs up to a monthly maximum. This monthly maximum reimbursement amount is determined by the Port. Amounts and procedures can be found on the Total Rewards Compass Page and may be subject to tax.

The Port shall maintain full discretion to modify, change, amend, and/or discontinue either and/or both the ORCA program and the Ferry Reimbursement benefit;

Prior to modifying, changing, amending, and/or discontinuing either and/or both the ORCA program and the Ferry Reimbursement benefit, the Port agrees to provide advance notice to the Union.

- (o) Port of Seattle Long Term Care Insurance: If the Port adopts a Long Term Care Insurance Program, the parties will discuss the availability of such Long Term Program, if applicable, to Non-Sworn Supervisors.

ARTICLE 18 – LEAVE WITHOUT PAY

18.01 After one (1) year's service, an employee shall be eligible for a leave of absence without pay, not to exceed six (6) work weeks. Requests for such leave shall be submitted in writing to the Chief for approval thirty (30) days in advance of the leave time period. In emergency situations, the notification may be waived at the option of the Chief.

18.02 Leave approval considerations shall include:

- (a) The purpose and length of requested leave;

- (b) The employee's length of service;
- (c) The effect of such an extended absence on departmental operational efficiency;
- (d) Employee past performance and attendance; and
- (e) In establishing the priority for such leaves, mutual benefit to the Port shall also be a consideration. For example, leaves of absence for educational purposes shall receive greater priority than leaves for the purpose of travel.

18.03 In the event of special conditions, such as family emergencies or educational programs, leaves of absence may be extended beyond six (6) weeks, but shall not exceed one (1) year at the discretion and approval of the Chief and/or the Port's Executive Department. An employee shall suffer no loss of seniority for time spent on approved leave of absence of six (6) weeks or less. If the employee remains on approved Leave of Absence for more than six (6) weeks, the employee shall retain his/her original seniority date in the bargaining unit but shall not further accumulate seniority.

18.04 Under normal conditions, leaves of absence shall not be granted for the purpose of seeking or engaging in other employment. Any exception to this provision shall be at the sole discretion of the Chief.

ARTICLE 19 – SICK LEAVE

19.01 Based on a pro rata share of a full-time active work schedule, permanent employees shall accrue up to one (1) working day per month of sick leave, accrued at an hourly rate per each straight-time hour compensated (to be calculated based on work schedule), .

Effective upon ratification between the parties and execution of the agreement, sick leave is accrued from the first (1st) day of employment, but may not be used until the completion of thirty (30) days of continuous employment, and is to be used under the conditions stated in Section 19.02 of this Article.

19.02 Sick leave will be used only in instances of non-job related employee or dependent illness or injury and as provided by law. However, sick leave may be used to cover normally scheduled workdays within the three (3) day exclusion of the Washington State Workers' Compensation program. Departmental management may require a physician's statement to justify use of sick leave and/or to determine that an employee's return from absence due to illness or injury is sanctioned by the attending physician, to the extent provided by law.

19.03 The Port will continue to identify the portion of accrued sick leave that is available for use according to the minimum requirements of the Washington Paid Sick Leave Law on each employee's paycheck (e.g., one hour of accrued sick leave for each 40 hours worked by

eligible employees). This is not an additional accrual amount. It is a designation of a portion of current accrual amounts. Employees shall be entitled to carryover no more than forty (40) hours of Washington Paid Sick Leave into the following year, provided that any amount over the maximum will be maintained as general sick leave available for use under the terms of this Agreement.

19.04 Sick leave shall be applied in coordination with the Teamster Plans indicated in Article 21. In no case shall the combined effect of sick leave and/or other benefits be applied so that compensation exceeds the employee's normal rate of pay.

19.05 Upon termination or retirement following five (5) continuous years of active employment in a permanent position, qualified employees shall be compensated for fifty percent (50%) of their unused sick leave at the rate of pay at termination. The Port will first deduct from the Washington Paid Sick Leave hours of a qualified employee and then the remainder from the regular sick leave hours of the qualified employee when compensating the employee fifty percent (50%) of their unused sick leave. Such accumulated sick leave payoff is payable to the employee's spouse or other designated beneficiary in the event of an employee's death.

19.06 Family Medical Leave. Family leave will be administered in accordance with current Federal and State laws, and applicable Port policies.

The Port shall comply with the requirements of the Washington Paid Family and Medical Leave Act and shall have full discretion on meeting those requirements (e.g. Voluntary Plan), which shall not be subject to the grievance procedure or to any other provision of this Agreement or to negotiation by the Union. However, the Port agrees to provide to the Union advance notice of how the Port intends to comply, and when and if there are any changes.

Effective upon ratification between the parties and the execution of the agreement, the Port will pay the employee portion of the premium associated with this provision.

Employees may use sick leave and/or vacation leave to supplement wages while using paid family medical leave.

19.07 Attendance incentive.

(a) Five hundred dollars (\$500.00) for any employee who has completed a full calendar year of continuous employment without any absence from work. Incentive pay will be subject to payroll withholding requirements.

(b) Any absence except the following will disqualify an employee:

- (1) Vacation
- (2) Holidays
- (3) Bereavement Leave
- (4) Comp Time
- (5) Military Leave
- (6) Jury Duty
- (7) Subpoenaed Witness Serve on a Port-related case
- (8) Appointment Time
- (9) Effective January 1, 2018, the first .025 per hour worked of paid sick leave
- (10) Other leave as protected by law.

(c) The Police Department time cards and payroll hours will be used to determine eligibility.

19.08 Appointments. Regular full-time employees who are scheduled to work a full time schedule may be granted brief periods of paid time off for medical, dental, or other personal business appointments (such as appointments with attorneys) which could not be arranged during non-working hours. The Chief or designee may authorize time off for not more than twelve (12) hours of personal appointments during a calendar year.

19.09 Abuse of Sick Leave. Both parties are committed to work to minimize or eliminate any abuse of sick leave.

19.10 Shared Leave. The parties agree to adopt a Shared Leave Program under the terms and conditions set forth in applicable Port policies covering shared leave of salaried employees.

(a) Purpose. The Shared Leave Program enables employees to donate accrued sick leave to fellow employees who are faced with taking leave without pay or termination due to extraordinary or severe physical or mental illnesses. Implementation of the program for any individual employee is subject to agreement by the Port and the availability of shared leave from other employees. The Port's decisions in implementing and administering the shared leave program shall be reasonable.

(b) Participation. Participation in the Shared Leave Program is voluntary. No employee shall be coerced, threatened, intimidated or financially induced into donating accrued leave for purposes of this program.

ARTICLE 20 – LONG TERM DISABILITY

Effective upon ratification and execution of the agreement, employees in the bargaining group are eligible for long-term disability benefits on the first (1st) of the month following the date of hire or immediately if the employee is hired on the first of the month. Such coverage shall be the same as that provided for exempt and non-exempt employees as provided for in the Port’s Salary and Benefit Resolution.

The balance of the monthly premium rate will be paid by members of the bargaining group through monthly payroll deduction. The Port will be absolved and indemnified by Local 117 from any liability associated with the Teamsters Retiree Welfare Trust plan.

21.05 Maintenance of Plans/ACA Plan Compliance. The Trustees may modify benefits or eligibility of any plan, in Sections 21.01 and 21.02 above, for the purposes of cost containment, cost management, changes in medical technology and treatment, and to maintain compliance with the Affordable Care Act. The Union will assist the Port in acquiring information from the medical benefits trust to insure that the Port is in compliance with the Affordable Care Act.

21.06 The Port agrees to provide Flexible Spending Accounts as provided for salaried employees, not to include employer contributions, if any.

22.01 **Grievance Defined.** Any dispute regarding the interpretation or application of this Agreement shall be regarded as a grievance and shall be subject to the terms of this grievance procedure.

22.02 **Discipline.** The Parties agree that discipline is a command function. Decisions on disciplinary matters where discipline imposed involves a discharge, suspension, demotion, or written reprimand shall be subject to the grievance procedure; however written reprimands may not be pursued to arbitration.

22.03 **Time Limits.** All grievances shall be presented within twenty (20) days of the occurrence or the date that the employee actually knew or reasonably should have known of the occurrence, whichever is later. This time limit and the other time limits set forth in this Article may be extended by mutual agreement of the Employer and the Union. All references to time in this Article shall be to calendar days.

22.04 **Election of Forum.** An employee electing to pursue a matter through the Civil Service System may not also pursue to arbitration a grievance through this grievance procedure. Any complaint that a matter constitutes a violation of Article 7 of this Agreement may not be pursued to grievance arbitration if the matter has been challenged in any other administrative or judicial forum.

22.05 **Informal Resolution.** The Parties acknowledge that every effort should be made by the employee(s) and the supervisor(s) to resolve issues prior to initiating grievance procedures.

22.06 **Grievance Procedure.**

STEP I

The affected employee shall present the grievance in writing to his or her division commander. If the division commander or the division commander's designee and the grievant are unable to arrive at a satisfactory settlement, the division commander (or designee) will

issue a written response to the employee, with a copy to the Union's business representative. The response shall be issued no later than ten (10) days after the date that the grievance was initially filed. The Union may refer the grievance to Step 2 within ten (10) days of receipt of the division commander's response, or if the division commander's response is untimely, within ten (10) days of the date when the division commander's response was due.

STEP II

Initiation of Step 2. The Union's business representative shall present the grievance in writing to the Chief of Police or the Chief's designee. The written grievance shall contain a statement of the relevant facts, the section(s) of the Agreement allegedly violated, and the remedy that is sought.

Class Grievances. With respect to issues affecting more than one (1) employee, the Union may elect to file a grievance at Step 2 without the need for individual employees to file grievance at Step 1. The twenty (20) day time limit referenced in Section 22.03, as well as the other requirements of this Article, shall be applicable to such filings.

Step 2 Meeting. Within fourteen (14) days after the initiation of Step 2, the Union's business representative and the Chief or the Chief's designee shall meet to discuss possible resolution of the grievance. If the parties are unable to arrive at a satisfactory settlement, the Union may refer the grievance to Step 3 within ten (10) days of the meeting.

STEP III

Initiation of Step 3. The Union shall notify the Chief and the Port's Labor Relations representative, in writing, of its desire to move the matter to a Board of Adjustment.

Board of Adjustment. The parties shall schedule a Board of Adjustment hearing which shall be held no later than twenty (20) days after the initiation of Step 3. The purpose of the hearing is to evaluate all known facts relating to the grievance in order to determine an appropriate resolution. The Port's Labor Relations representative, the Chief or designee, and two (2) Union representatives shall be present, and both sides shall have an opportunity to present all information that they have relating to the grievance. If the parties are unable to arrive at a settlement, or if the Board of Adjustment hearing is not held within twenty (20) days after initiation of Step 3, the Union may refer the matter to Step 4. The parties may mutually agree to waive the Step 3 process.

STEP IV: Arbitration

Initiation of Step 4. The Union initiates Step 4 by filing a written request with the Port, specifying the issue to be arbitrated. The request must be submitted within ten (10) days of completion of the Board of Adjustment, or if no Board of Adjustment is scheduled within twenty (20) days after the initiation of Step 3, then within twenty-seven (27) days after the initiation of Step 3.

Selecting An Arbitrator. The Port and the Union mutually agree that either Party to this Agreement may apply to the Federal Mediation and Conciliation Service (FMCS) for a list

of seven (7) persons who are qualified and available to serve as arbitrators for the dispute involved. The Parties agree to equally split any costs associated with obtaining a list of arbitrators from FMCS. Within ten (10) days of receipt of the FMCS list, the Parties will jointly select an arbitrator from the list by alternately striking one (1) arbitrator on the list until the final remaining arbitrator is selected as the arbitrator for the particular hearing. The Parties shall determine first initiative through a coin flip.

The Hearing. The hearing on the grievance shall be informal and the rules of evidence shall not apply. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement in arriving at a decision of the issue or issues presented; and shall confine his/her decision solely to the interpretation, application, or enforcement of this Agreement. The arbitrator shall confine himself/herself to the precise issue submitted for arbitration, and shall not have the authority to determine any other issues not so submitted to him/her. The decision of the arbitrator shall be final and binding upon the aggrieved employee, the Union, and the Port. The fees and expenses of the arbitrator shall be equally split between the Parties; otherwise, each party shall pay its own fees, expenses and costs, including attorney fees and witness compensation.

ARTICLE 23 – PERSONNEL FILE - PUBLIC RECORDS REQUEST

The Port will comply with RCW 42.56.250 (12) when information contained in a member of the bargaining unit's personnel file is subject to a public records request.

ARTICLE 24 – PERFORMANCE OF DUTY, STRIKES, AND LOCKOUTS

23.01 Nothing in this Agreement shall be construed to give an employee the right to strike, and no employee shall strike or refuse to perform assigned duties to the best of his/her ability. The Union agrees that it will not condone or cause any strike, slowdown, mass sick call, or any other form of work stoppage or interference with the normal operation of the Police Department or the Port.

23.02 The Port agrees that there shall be no lockouts.

23.03 The conditions stated in Sections 23.01 and 23.02 of this Article shall remain in effect with or without a signed Labor Agreement.

ARTICLE 25 – SAVINGS CLAUSE

If any Article of this Agreement or any Appendix hereto should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any Article or Appendix should be restrained by such tribunal, the remainder of this Agreement and Appendices shall not be affected thereby, and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement of such Article.

ARTICLE 26 – ENTIRE AGREEMENT

25.01 The Agreement expressed herein in writing constitutes the entire Agreement between the parties and no oral statement shall add to or supersede any of its provisions.

25.02 The parties acknowledge that each has had the unlimited right and opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The results of the exercise of that right are set forth in this Agreement.

APPENDIX B
DRUG TESTING
SUBSTANCE TESTS

PREAMBLE

While abuse of alcohol and drugs among our members is the exception rather than the rule, the Teamsters Local 117 Non-Sworn Supervisors Employee's Negotiating Committee shares the concern expressed by many over the growth of substance abuse in American society.

The drug testing procedure, agreed to by labor/management, incorporates state-of-the-art employee protections during specimen collection and laboratory testing to protect the innocent.

In order to eliminate the safety risks which result from alcohol or drugs, the parties have agreed to the following procedures.

As referred to herein, testing shall be applicable to all entry level probationary employees and to any other employee for whom the Port has a reasonable suspicion that the employee is working while under the influence of alcohol or drugs.

- A. Illicit substance or drug abuse by members of the Department is unacceptable and censurable conduct worthy of strong administrative action.
- B. Preconditions to Drug Testing. Before an employee may be tested for drugs or alcohol based upon reasonable suspicion, the Port must meet the following prerequisites:
 - 1. The Port shall inform employees in the bargaining unit what drugs or substances are prohibited.
 - 2. The Port shall provide in-service training containing an educational program aimed at heightening the awareness of drug and alcohol related problems.
 - 3. The Port and the Union shall jointly select the laboratory or laboratories which will perform the testing.
 - 4. Lieutenants or higher ranked officers or managers shall be the department representative to authorize or approve a drug/alcohol test.
 - 5. The Lieutenant or higher ranked officer or manager authorizing or approving a drug or alcohol test under this Appendix B shall provide a written report to the Chief of Police, or Department Director if the employee is not part of the Police Department, and to the employee. If requested, that documents the basis for ordering the test under the reasonable suspicion standard. The report shall be completed no later than the end of the shift on which the test was ordered.
 - 6. The Port shall not use the drug testing program to harass any employee.

- C. The Department shall also have the discretion to order any entry level probationary employee to submit to a blood, breath, or urine test for the purposes of determining the presence of a narcotic, drug, or alcohol a minimum of two (2) times during such employee's entry level probationary period. These tests will be conducted in the following manner:
1. Tests will be administered to each entry level probationary employee a minimum of two (2) times, at various intervals, during the probationary period.
 2. Entry level probationary employees shall only be tested while on duty.
 3. The providing of a urine sample will be done in private.
 4. Obtaining of urine samples shall be conducted in a professional and dignified manner.
 5. A portion of urine samples shall be preserved to permit the following:
 - a. Positive samples shall be tested by a GC/MS test.
 - b. A third test for positive samples shall be conducted if requested by the employee, at Port expense, by a reputable laboratory of mutual choice.

The exercise of this discretion by the Department shall be deemed a term and condition of such employee's period of entry level probation, and need not be supported by any showing of cause.

If any employee is ordered to submit to these tests involuntarily, the evidence obtained shall be used for administrative purposes only.

- D. Testing Mechanisms. The following testing mechanisms shall be used for any drug or alcohol tests performed pursuant to the testing procedure:
1. It is recognized that the Employer has the right to request the laboratory personnel administering a urine test to take such steps as checking the color and temperature of the urine samples to detect tampering or substitution, provided that the employee's right of privacy is guaranteed, and in no circumstances may observation take place while the employee is producing the urine sample. If it is established that the employee's specimen has been intentionally tampered with or substituted by the employee, the employee is subject to discipline as if the sample tested positive. In order to deter adulteration of the urine sample during the collection process, physiologic determinations such as creatinine and/or chloride measurements may be performed by the laboratory.

2. The parties recognize that the key to chain of possession integrity is the immediate labeling and initialing of the sample in the presence of the tested employee. If each container is received at the laboratory in an undamaged condition with properly sealed, labeled and initialed specimens, as certified by the laboratory, the Employer may take disciplinary action based upon properly obtained laboratory results.
3. Any screening test shall be performed using the enzyme immunoassay, (EMIT) method.
4. Any positive results on the initial screening test shall be confirmed through the use of the high-performance thin-layer chromatography (HPTLC), gas chromatography (GC) and gas chromatography/mass spectrometry (GC/MS). If at any time there exists a test with a higher rate of reliability than the GC/MS test, and if such test is reasonably accessible at a reasonable cost, such test shall be used in place of the GC/MS test if requested by the Union.
5. All samples which test negative on either the initial test or the GC/MS confirmation test shall be reported only as negative. Only samples which test positive on both the initial test and the GC/MS confirmation test shall be reported as positive.
6. In reporting a positive test result, the laboratory shall state the specific substance(s) for which the test is positive and shall provide the quantitative results of both the screening and the GC/MS confirmation tests, in terms of nanograms per milliliter. All positive test results must be reviewed by the certifying scientist or laboratory director and certified as accurate.
7. Employees tested for alcohol shall be subject to the collection of a breath sample(s), conducted as defined in E (9), to determine if current consumption of alcohol is present.

E. Procedures to be used when the sample is given. The following procedures shall be used whenever an employee is requested to give a blood or urine sample. Normally, the sample will be taken at the laboratory. If taken at another location, transportation procedures as identified shall be followed. All sample taking will be done under laboratory conditions and standards as provided by the selected laboratory:

1. Prior to testing, or if incapacitated as soon as possible afterwards, the employee will be required to list all drugs currently being used by the employee on a form to be supplied by the Port. The Employer may require the employee to provide evidence that a prescription medication has been lawfully prescribed by a physician. If an employee is taking a prescription or non-prescription medication in the appropriate described manner and has noted such use, as provided above, he/she will not be disciplined. Medications prescribed for another individual, not

the employee, shall be considered to be illegally used and subject the employee to discipline.

2. When a blood test is required, the blood sample shall be taken promptly with as little delay as possible. Immediately after the samples are drawn, the individual test tubes shall, in the presence of the employee, be sealed, labeled and then initialed by the employee. The employee has an obligation to identify each sample and initial same. If the sample is taken at a location other than the testing laboratory, it shall be placed in a transportation container after being drawn. The sample shall be sealed in the employee's presence and the employee given an opportunity to initial or sign the container. The container shall be stored in a secure and refrigerated atmosphere, and shall be delivered to the laboratory that day or the soonest normal business day by the fastest available method.
3. In testing blood samples, the testing laboratory will analyze blood/serum by using gas chromatography/mass spectrometry as appropriate. Where Schedule I and II drugs in blood are detected, the laboratory is to report a positive test based on a forensically acceptable positive quantum of proof. All positive test results must be reviewed by the certifying scientist or laboratory director and certified as accurate.
4. When a urine sample will be given by the employee, the employee shall be entitled, upon request, to give the sample in privacy. In most cases, this process will take place at a laboratory. The sample container shall remain in full view of the employee until transferred to, and sealed and initialed in the two (2) tamper resistant containers and transportation pouch.
5. Immediately after the sample has been given, it will be divided into two equal parts. Each of the two portions of the sample will be separately sealed, labeled. If the sample is taken at a location other than the laboratory, it shall be stored in a secure and refrigerated atmosphere. One of the samples will then be delivered to a testing laboratory that day or the soonest normal business day by the fastest available method.
6. The sample will first be tested using the screening procedure set forth in Section (D) (3) of this appendix. If the sample tests are positive for any prohibited drug, the confirmatory test specified in Section (D) (4) of the appendix will be employed.
7. If the confirmatory test is positive for the presence of an illegal drug, the employee will be notified of the positive results within 24 hours after the Port learns of the results, and will be provided with copies of all documents pertinent to the test sent to or from the Port by the laboratory. The employee will then have the option of submitting the untested sample to a laboratory of mutual choice, at the Port's expense.
8. Each step in the collecting and processing of the urine samples shall be documented to establish procedural integrity and a chain of evidence. All

samples deemed "positive" by the laboratory, according to the prescribed guidelines, must be retained, for identification purposes, at the laboratory for a period of six (6) months.

9. All screening and confirmatory breath alcohol tests shall be conducted by certified breath alcohol technicians and in accordance with the procedures set forth in WAC 448.

F. Consequences of positive test results.

1. An employee who tests positive shall have the right to challenge the accuracy of the test results before any disciplinary procedures are invoked as specified in Section (E) (7) and the Departmental Grievance Procedure.
2. Consistent with the conditions of the appendix, the employer may take disciplinary action based on the test results as follows:
Confirmed positive test - Employee is subject to discharge.

G. Employee rights.

1. The employee shall have the right to a Union representative during any part of the drug testing process.
2. If at any point the results of the testing procedures specified in the appendix are negative, all further testing shall be discontinued. The employee will be provided a copy of the results, and all other copies of the results (including the original) shall be destroyed within 24 hours after the test results have been received by the employer. All positive test results will be kept confidential, and will be available only to the Chief, one designated representative of the Chief, and the employee.
3. Any employee who tests positive shall be given access to all written documentation available from the testing laboratory which verifies the accuracy of the equipment used in the testing process, the qualifications of the laboratory personnel, the chain of custody of the specimen, and the accuracy rate of the laboratory.
